2000 Chevrolet Silverado 1500 for Sale (with Photos) - CARFAX
The 5.3L Vortec made its debut in 1999 in the Chevrolet Silverado. This was the LM7 version of the engine. Shortly after, in 2002, the L59 was produced, this was essentially the flexible fuel version of the LM7. In 2003 the LM4 became available, which was essentially the LM7 but with an aluminum block.

A fully illustrated step-by-step guide to rebuilding big-block Chevys for better-than-stock performance. For millions of Chevy car and truck owners, this is the best and most complete engine rebuilding guide, including informative sections on: Casting numbers and parts ID ? Disassembly ? Cleaning and inspection ? Cylinder block and bottom-end reconditioning ? Cylinder head reconditioning ? Engine specs and clearances ? Step-by-step engine reassembly ? Torque values ? OEM part numbers

Inventory Management Vol. 2 updates some topics in Pete Kornafel's Inventory Management and Purchasing book published in 2004. The original book is still in print, and much of it is still "best practice" for forecasting and purchasing inventory for hard goods distributors. This Vol. 2 book includes new material on SKU level forecasting with the addition of external data, a big new section on store assortment planning, some "best practice" techniques for managing special situations such as multiple sources, hub-spoke store networks, promotions, category management and supply chain collaboration. All the content is of my own design with what I feel is "best practice" in each of these areas. And this Vol. 2 has some observations about the future of the automotive aftermarket in the U.S. This includes the impact of the Covid-19 pandemic in the (hopefully) short term, and some longer-term factors that will, over time, profoundly change the aftermarket.

Covers principles of operation, troubleshooting, maintenance and repair of the modern braking system. Information on tool selection and usage is included, plus a chapter on brake system modifications and high-performance brake parts.
This manual offers do-it-yourselfers at all levels total maintenance service and repair information including photos and exploded-view illustrations.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.
Peanut Butter is a sad little fish. His best friend, Honey, just moved away. The two friends were perfect together, just like a peanut butter and honey sandwich. Now Honey is gone, and Peanut Butter needs a new friend-but how will he find one? Peanut Butter sets out on a thrilling adventure deep in the ocean to find a new best friend. He starts his journey by seeking out only the most beautiful fish in the sea and rejecting all others. Along the way, he encounters colorful characters like sharks, an angelfish, a moon snail, and many more. Peanut Butter soon realizes that if he wants real friendship, he'll have to look deeper and discover the beauty within other fish. If he can do that, perhaps he'll finally find the perfect friend. Join Peanut Butter on his big adventure, and share in the discovery of a vibrant undersea community. More importantly, swim along with him as he learns about the importance of true friendship.

This is a detailed guide on how to install GM's popular LS small-block engines into just about any other vehicle, the most popular conversion in the aftermarket today. Includes an overview of the Chevy LS series engine, technical details on swapping transmissions, drivetrain, fuel system, wiring and ECU, exhaust and installation.
Don't these boys get it? How many times must they get into trouble before they catch on? Best friends William and Thomas are back at it again with even more action and adventure. The poor community of Itchygooney isn't safe when William has a plan. This time there's an attack drone, a ghostly rocking chair, a slam-dunking wizard, and a UFO. Will these boys ever be stopped? Let's hope not! Back 4 More is the fourth book in the ongoing I Told You So series of humorous stories shared in short standalone bursts. If they were any longer you couldn't handle it!

Lists manufacturers' suggested retail and dealer invoice prices for all models, foreign and domestic, along with information on standard and optional equipment, specifications and reviews, and buying and leasing advice
