British Railways Mark 1 is the family designation for the first standardised designs of railway carriages built by British Railways from 1951 until 1974,

Download File PDF A Railways Engineering 50

Mark 1 was used only for charter services on the main lines or on preserved railways. Following nationalisation in 1948, BR had continued to build carriages to the designs of the "Big Four" companies, and the Mark 1 was intended to be the standard carriage design for use across all lines,
