Many of the people responsible for a website don't have a clue what's required to build one and keep it up and running. The job of planning, launching, and managing a site often falls to people who have little or no experience in web design or development. Website Owner's Manual is for the thousands of marketers, IT managers, project leaders, and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy-to-follow lists and diagrams, and other friendly touches, Website Owner's Manual helps readers form a vision for a site, guides them through the process of selecting a web design agency, and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a jargon-free overview of web design, including accessibility, usability, online marketing, and web development techniques. Using Website Owner's Manual, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.

The Vagina Book is an essential guide packed with invaluable information about sexual health that everybody should know, but might be too afraid to ask. With sections on anatomy, periods, hormones, sex, contraception, fertility, hair care, and so much more, this fun-to-read guide helps readers make healthy decisions for their bodies. Compelling personal essays from a diverse group of luminary figures—including Margaret Cho, Roxane Gay, and Blair Imani—are sprinkled throughout, enriching the pages with beauty, strength, and honesty. • From OB/GYN Dr. Jennifer Conti and the team behind the beloved Thinx period products • Dispenses with taboos and misinformation about vaginas and bodies • Provides the latest health research in easy-to-digest entries Advice includes yoga poses to help with PMS and cramping, a cheat sheet for making sense of contraception options, why you should care about your pelvic floor (plus easy strengthening exercises!), and the illustrated history of feminine hygiene products, from ancient Egypt through today. This groundbreaking guide is a perfect gift for every modern woman and a vital addition to every modern bookshelf. • A must-have handbook for anyone with a vagina • Presented in a luxe, cushioned case filled with more than a hundred vibrant illustrations • Perfect unique gift for anyone who is passionate about sexual health, feminism, and learning more about their body, as well as readers of Refinery29 and GOOP • Add it to the shelf with books like Come as You Are: The Surprising New Science that Will Transform Your Sex Life by Emily Nagoski PhD., WomanCode: Perfect Your Cycle, Amplify Your Fertility, Supercharge Your Sex Drive, and Become a Power Source by Alisa Vitti; and Pussy: A Reclamation by Regena Thomashaue.

At Last! A Beginner's Guide to Newborn Baby Technology You've programmed your DVR, you've installed a wireless Internet connection, you can even check Facebook on your cell phone. But none of this experience will prepare you for the world's biggest technological marvel: a newborn baby. Through step-by-step instructions and helpful schematic diagrams, The Baby Owner's Manual explores hundreds of frequently asked questions: What's the best way to swaddle a baby? How can I make my newborn sleep through the night? When should I bring the baby to a doctor for servicing? Whatever your concerns, you'll find the answers here—courtesy of celebrated pediatrician Dr. Louis Borgenicht and his son, Joe Borgenicht. Together, they provide plenty of useful advice for anyone who wants to learn the basics of childcare.

The #1 bestseller that gives YOU complete control over your body and your health. With new health studies and advice bombarding us every day, few people know much about what chugs, churns, and thumps throughout the miraculous system that is the human anatomy. YOU: The Owner's Manual challenges preconceived notions about how the human body works and ages, and takes you on a fascinating grand tour of all your blood-pumping, food-digesting, and numbers-remembering systems and organs—including the heart, brain, lungs, immune system, bones, and sensory organs. In this updated and expanded edition, America's favorite doctors, Michael Roizen and Mehmet Oz, discuss how YOU actually have control over your genes. Discover how diseases start and how they affect your body—as well as advice on how to prevent and beat conditions that threaten your quality of life. There are also 100 questions asked by you, and answered by the experts. For instance, do you know which of the following statements are true? As you increase the amount you exercise, the rewards you gain from it increase as well. If you're not a smoker, you have nothing to worry about when it comes to your lungs. Your immune system always knows the difference between your own cells and enemy invaders. The biggest threat to your arteries is cholesterol. Memory loss is a natural, inevitable part of aging. Stress is the greatest ager, and controlling it changes which of your genes is on. Did you answer "true" for any of the above? Then take a look inside. Complete with exercise tips, nutritional guidelines, simple lifestyle changes, and alternative approaches, YOU: The Owner's Manual debunks myths and gives you an easy, comprehensive, and life-changing How-To plan—as well as great-tasting and calorie-saving recipes—that can help you live a healthier, younger, and better life. Be the best expert on your body!

More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

This book is more than just the story of a fat woman who managed to win respect and National Championships in the thin-obsessed world of dance. It's more than just a trained researcher's examination of the evidence about weight and health. It's a book about living life in the body that you have now, and making decisions about what you want in the future, and how to get there. Whether you want to change your body, fight for size acceptance, just live your life, or understand and support your fat friends and family, this book provides the insights, aha moments, humor, and hard facts to help.
