Told through Donofrio's brutally honest, often ribald, emotionally unsparing voice, *Astonished* is a tender and hopeful narrative of healing and learning to love life again.

A bestselling memoirist bravely tells the story of the night evil paid her a visit—and how prayer chased evil away Beverly Donofrio had already lived two lives, first as a scrappy young mother on the streets of the East Village and later as the bestselling author of *Riding in Cars with Boys*. By the time she reached her fifties, she thought she had seen it all. Now, even though she was living in a vibrant, picturesque Mexican town, where she practiced yoga, drank margaritas in her

Read Book Astonished A Story Of Healing And Finding Grace

backyard, and took salsa lessons, she felt lost and was searching for monasteries to visit. The religious practice that had nourished her for several years had faded. She missed God. Then one night she woke to find a rapist holding a knife to her throat. So begins the memoir that charts Donofrio's journey—a long and twisting road through denial, mourning, anger, vulnerability, and retreat at five very different monasteries. Told through Donofrio's brutally honest, often ribald, emotionally unsparing voice, *Astonished* is a tender and hopeful narrative of healing and learning to love life again.

After being raped at knifepoint in Mexico, the author finds solace and sanctuary at five different monasteries.

Denied college, Beverly Donofrio lost interest in everything but riding around town in cars, drinking and smoking, and rebelling against authority. She got married and divorced and finally ended up in an elite New England university, books in one arm, child in the other. A book about the compromise between being your own person and fitting into society.

God's Spirit is everywhere. *Miracles Every Day* is the story of Dr. Issam Nemeh, a Cleveland-based physician and devout Catholic who has prayed over tens of thousands of people from all faiths and all walks of life in the past two decades. The result? Miracles. Injuries healed, cancers cured, sight and hearing restored. Yet, as Dr. Nemeh will be the first to point out, "the miracles are just to get our attention." The healings do not originate from him, but from God. It is this humility and dedication to those in need that have won him the respect and trust of laypeople and religious leaders alike. This inspiring chronicle, beautifully told by author Maura Poston Zagrans, traces the lives of the doctor and his

Read Book Astonished A Story Of Healing And Finding Grace

dedicated wife, Kathy, and brings us the uplifting stories of the many people who have been healed through one man's powerful faith. *Miracles Every Day* is a compelling reminder of God's individual and unconditional love for each one of us. Along the way you will meet the dedicated family members, volunteers, and clergy who support the Nemehs in their work. They speak of a ministry of hope, of lives changed and saved through not just the power of prayer, but through the awesome Spirit-driven power of love.

It's the first day of fifth grade, and Ally is psyched. She and her best friend, Betsy, are in the same class, and have already planned on singing in the annual talent show together. But it's not long before she sees that Betsy has made a new best friend, and Ally is no longer on her radar screen. Not to mention that the weird new kid, Tina, has glommed on to Ally. In this phenomenally accurate and readable portrayal of the trials and tribulations of fifth grade, readers will watch a quirky, sensitive, and extraordinarily likeable girl try to survive. Narrated in Ally's distinctive first person voice, *Thank You, Lucky Stars* beautifully illustrates that it is possible to be unpopular, individualistic, nice, and still have fun.

Entering her fortieth year, Beverly Donofrio, a "lapsed Catholic," inexplicably begins collecting Virgin Mary memorabilia at yard sales. Her search for kitsch, however, soon becomes a spiritual quest, leading her to make a pilgrimage to the holy city of Medjugorje. There, she learns that Mary comes into your life only when pride steps out and receives a bonus: hope. In *Looking for Mary*, Donofrio offers the universal story about a woman who-in a quest for the

Read Book Astonished A Story Of Healing And Finding Grace

Blessed Mother-finds herself.

“Fans of Sarah Dessen and Mary Kay Andrews will enjoy this grown-up Sisterhood of the Traveling Pants, a story of risk, reward, loss, and love” (Booklist). A Publishers Weekly Pick of the Week and a New York Post Required Reading Pick It all starts when four unsuspecting women, on a singles’ bike trip through Normandy, discover a mysterious red book about love. But did they discover it—or did the book bring them together? Somehow the possibly magical Love Book will insinuate itself into Emily’s, Beatrice’s, Max’s, and Cathy’s lives, which so far haven’t turned out exactly the way society, their families, or they themselves have planned. Along the way, they’ll be nudged, cajoled, inspired—perhaps even “guided”—in spite of themselves to discover love, fulfillment, and the true nature of being a soul mate. “The Love Book should come with a warning: Do not begin unless you can afford to finish it—today. I could not, and did not, put it down. A contemporary Jane Austen, Nina Solomon has written a smart and funny book about what it’s like to be a woman, no longer young but not yet old and still single, looking for love in all the wrong places, only to find life. I laughed out loud so often I was downright downcast when I reached the last page and had to give up the good company of these wonderful characters.” —Beverly Donofrio, author of *Astonished: A Story of Healing and Finding Grace* “Happy endings abound in this novel about the power of love and friendship.” —Kirkus Reviews “A compelling mix of story lines . . . Plenty of good banter and characterization.” —Publishers Weekly

Dr. John E. Sarno's groundbreaking research on TMS (Tension Myoneural Syndrome) reveals how stress and other psychological factors can cause back pain-and how you can be pain free without drugs, exercise, or surgery. Dr. Sarno's

Read Book Astonished A Story Of Healing And Finding Grace

program has helped thousands of patients find relief from chronic back conditions. In this New York Times bestseller, Dr. Sarno teaches you how to identify stress and other psychological factors that cause back pain and demonstrates how to heal yourself--without drugs, surgery or exercise. Find out: Why self-motivated and successful people are prone to Tension Myoneural Syndrome (TMS) How anxiety and repressed anger trigger muscle spasms How people condition themselves to accept back pain as inevitable With case histories and the results of in-depth mind-body research, Dr. Sarno reveals how you can recognize the emotional roots of your TMS and sever the connections between mental and physical pain...and start recovering from back pain today.
