This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Began as a collective effort by members of the West Virginia Wildwater Association in 1965, Wildwater West Virginia emerged as the preeminent guide to whitewater in West Virginia. Now part of a new series and a new name to boot, A Canoeing Guide to West Virginia continues this legacy, guiding boaters of all abilities to over 120 of West Virginia's rivers, creeks and streams. The result of combined knowledge of hundreds of paddlers, this book gives paddlers all the information they need to paddle rivers safely and confidently: At a glance information helps boaters pick rivers to match their ability and current weather conditions, while river descriptions, gauge and shuttle route information provide additional critical information. More than an encyclopedia of mountain rivers and hydrologic data, Whitewater West Virginia is also a collection of experiences and an introduction to some of the most amazing geography in the east. Destined to ride in the dry bags and glove compartments of paddlers nationwide, this book continues to set the standard for all paddling guidebooks. Some of the rivers profiled include: Gauley River, North Branch of the Potomac, New River, Cheat River, Tygart River, Waites Run, Red Run, Roaring Creek, and Keeney Creek.
