Online Library Beria

This book is a memoir of the daily life of two men from Georgia--Stalin and Beria--who sent millions to their graves.

There are some figures in modern history who stand out

Online Library Beria

not just for their amoral conduct but their cruelty. This book explores the life of the notorious Beria, Stalin's henchman. The first part provides an outline of the turbulent history of Russia from 1900 to 1953, in

Online Library Beria

order to set the background from which Beria emerged. The second section presents a biography of Beria from his youth, his early education, and his obsequious behaviour towards Stalin to his rise to be the

Online Library Beria

head of the NKVD (KGB) and later to be amongst the most senior leaders of the Communist structure in the USSR. He was responsible for the deaths of millions (and for organising the Katy? massacre), infamous for

Online Library Beria

murdering colleagues, and a sexual predator, and became the most feared man in the USSR next to Stalin. The third and fourth parts move away from history and biography to moral philosophy, in order to

Online Library Beria

understand from where such evil conduct arises. The question of free-will is explored in the light of human insight, and these sections also discuss the most recent scientific claims concerning human

Online Library Beria

behaviour, as well as the factors which influence people in decision making.

"This article [examines] ... recent disclosures about Soviet decisionmaking towards Germany in the period from

Online Library Beria

Stalin's death in March 1953 until Beria's arrest in late June of that same year. Many historians and political scientists have wondered if there might have been a chance during this short period to reunify Germany

Online Library Beria

more than thirty years
before Gorbachev came to
power"--Page 1.
