child and a parent's frantic search. Join Thaddeus Murfee, back in Chicago and around the world, in his strangest case yet—a man whose plastic character changes, comes and goes, like the proverbial will-o-the-wisp. Ansel Largent has been a founder and managing partner of a large Chicago law firm for two decades. He is respected. Ferocious in the courtroom but a winner with the jury. Happy at home with wife Libby, a stroke victim. Happy at the office with Melinda, a married woman with a special interest in him. Ansel has fathered two sons and loves them both dearly. Then Ansel's law firm is horrified by two shocking crimes: the trust account has been embezzled. \$2 hundred million has vanished. And full-partner Suzanne Fairmont has been found dead in her office. Whether her death is a homicide or suicide is immediately disputed. And an even greater shock: Ansel suspects his son David of the embezzlement and wonders if there might also be a connection to Suzanne's sudden death. Thaddeus meets Ansel inside a Mexico jail where both are lodged for crimes committed at the border. Will Thaddeus agree to defend Ansel? Does it matter that Ansel has a \$50,000 retainer taped to his body? They go to trial. Thaddeus is struck speechless at the outcome of his trickiest murder trial yet. He is left with no sense of what comes next and where his client might expect to spend the rest of his life—and with whom. The conclusion is shocking. The author respectfully asks that you reveal the ending to no one, so all may read and enjoy for themselves. a brash 20-something with a degree in journalism from the esteemed University of Chicago. Angelina decides to write a New York Times best-seller based on the skyjacking. She isn't sure if it will be fiction or non-fiction, but she has her topic once the plane is diverted. Thaddeus Murfee has just received front-page notoriety in the Tribune for his extraordinary courtroom defense of a World War II death camp survivor. Lately, Thaddeus' name is being mentioned at all the important lawyer gatherings as the lawyer to keep an eye on in the U.S. In fact, there is even talk about him running for public office, maybe even U.S. Senator. Angelina tells Thaddeus she will base new best-seller on the skyjacking. Surely a Pulitzer Prize isn't even out of reach. Thaddeus declines all interviews with Angelina and the struggle begins. What follows is an incredible legal thriller in Moscow, where Thaddeus and Angelina are the unwilling guests of the Russian President. Thaddeus Murfee is at the top of his game in this book. The New York Times Best-Seller will delight all Thaddeus Murfee fans who just can't get enough of this young lawyer.

What makes a person's life meaningful? Thaddeus Metz offers a new answer to an ancient question which has recently returned to the philosophical agenda. He proceeds by examining what, if anything, all the conditions that make a life meaningful have in common. The outcome of this process is a philosophical theory of meaning in life. He starts by evaluating existing theories in terms of the classic triad of the good, the true, and the beautiful. He considers whether meaning in life might be about such principles as fulfilling God's purpose, obtaining reward in an afterlife for having been virtuous, being attracted to what merits attraction, leaving the world a better place, connecting to organic unity, or transcending oneself by connecting to

what is extensive. He argues that no extant principle satisfactorily accounts for the three-fold significance of morality, enquiry, and creativity, and that the most promising theory is a fresh one according to which meaning in life is a matter of intelligence contoured toward fundamental conditions of human existence.

In a world full to bursting with would-be heroes, Jim couldn't be less interested in saving the day. His fireballs fizzle. He's awfully grumpy. Plus, he's been dead for about sixty years. When a renegade necromancer wrenches him from eternal slumber and into a world gone terribly, bizarrely wrong, all Jim wants is to find a way to die properly, once and for all. On his side, he's got a few shambling corpses, an inept thief, and a powerful death wish. But he's up against tough odds: angry mobs of adventurers, a body falling apart at the seams and a team of programmers racing a deadline to hammer out the last few bugs in their AI. *Mogworld is the debut novel from video-game icon Yahtzee Croshaw (Zero Punctuation)! Killen Erwin slumps on the other side of the desk, silently waiting for his longtime friend to respond. Will Thaddeus have any strength left to defend a friend? And in the face of such brutality, will he even be able to make a difference?

A thought-provoking retelling of the Gospel story from an atheist perspective. Upon its hardcover publication, renowned author Philip Pullman's *The Good Man Jesus and the Scoundrel Christ* provoked heated debates and stirred a frenzy of controversy throughout the clerical and literary worlds alike with its bold retelling of the life of Jesus Christ. In this remarkable piece of fiction, famously atheistic author Philip Pullman challenges the events of the Gospels and puts forward his own compelling and plausible version of the life of Jesus. Written with unstinting authority, *The Good Man Jesus and the Scoundrel Christ* is a pithy, erudite, subtle, and powerful book by a beloved author, a text to be read and reread, studied and unpacked, much like the Good Book itself. "The erudite fantasy author, Philip Pullman, makes explicit his complaint against Christian dogma with [this] challenging deconstruction of the Gospels." "Entertainment Weekly" "Inspiring . . . Again and again, [Pullman] displays a marvelous sense of the elemental power of Jesus's instructions and parables." "The Washington Post"
