The El-Hajj Malik El-Shabazz/Malcolm X stamp is the twenty-second in the Black Heritage Series, which was inaugurated in 1978. It joins such luminaries as Harriet Tubman, Frederick Douglass, A. Philip Randolph, Mary McLeod Bethune, Martin Luther King, Jr., and others. I am hopeful that . the initial printing of 100 million stamps will be some inspiration to those who collect them or pass them ...

The Autobiography of Malcolm X was intended to be a true autobiography, with the name of Alex Haley appearing not at all or as a ghost writer or as a mere contributor or assistant. However, with the assassination of Malcolm X having occurred in Harlem in New York City on February 21, 1965 just before this book could be published, it became necessary to reveal the important role of Alex Haley in creating this book.

WINNER • 2021 PULITZER PRIZE IN BIOGRAPHY • WINNER - 2020 NATIONAL BOOK AWARD FOR NONFICTION • TIME Magazine - 10 Best Nonfiction Books of 2020 • A New York Times Notable Book of 2020 and Editors' Choice Selection • Best Books of 2020: NPR, Washington Post, Library Journal, Chicago Public Library • Excerpted in The New Yorker • Longlisted - Andrew Carnegie Medal for Excellence in Nonfiction • Best Books of Fall 2020 - O, the Oprah Magazine, The Week, St. Louis Post-Dispatch An epic biography of Malcolm X finally emerges, drawing on hundreds of hours of the author's interviews, rewriting much of the known narrative. Les Payne, the renowned Pulitzer Prize-winning investigative journalist, embarked in 1990 on a nearly thirty-year-long quest to interview anyone he could find who had actually known Malcolm X--all living siblings of the Malcolm Little family, classmates, street friends, cellmates, Nation of Islam figures, FBI moles and cops, and political leaders around the world. His goal was ambitious: to transform what would become over a hundred hours of interviews into an unprecedented portrait of Malcolm X, one that would separate fact from fiction. The result is this historic biography that conjures a never-before-seen world of its protagonist, a work whose title is inspired by a phrase Malcolm X used when he saw his Hartford followers stir with purpose, as if the dead were truly arising, to overcome the obstacles of racism. Setting Malcolm's life not only within the Nation of Islam but against the larger backdrop of American history, the book traces the life of one of the twentieth century's most politically relevant figures "from street criminal to devoted moralist and revolutionary." In tracing Malcolm X's life from his Nebraska birth in 1925 to his Harlem assassination in 1965, Payne provides searing vignettes culled from Malcolm's Depression-era youth, describing the influence of his Garveyite parents: his father, Earl, a circuit-riding preacher who was run over by a street car in Lansing, Michigan, in 1929, and his mother, Louise, who continued to instill black pride in her children after Earl's death. Filling each chapter with resonant drama, Payne follows Malcolm's exploits as a petty criminal in Boston and Harlem in the 1930s and early 1940s to his religious awakening and conversion to the Nation of Islam in a Massachusetts penitentiary. With a biographer's unwavering determination, Payne corrects the historical record and delivers extraordinary revelations--from the unmasking of the mysterious NOI founder "Fard Muhammad," who preceded Elijah Muhammad; to a hair-rising scene, conveyed in cinematic detail, of Malcolm and Minister Jeremiah X Shabazz's 1961 clandestine meeting with the KKK; to a minute-by-minute account of Malcolm X's murder at the Audubon Ballroom. Introduced by Payne's daughter and primary researcher, Tamara Payne, who, following her father's death, heroically completed the biography, The Dead Are Arising is a penetrating and riveting work that affirms the centrality of Malcolm X to the African American freedom struggle.

ONE OF TIME'S TEN MOST IMPORTANT NONFICTION BOOKS OF THE TWENTIETH CENTURY In the searing pages of this classic autobiography, originally published in 1964, Malcolm X, the Muslim leader, firebrand, and anti-integrationist, tells the extraordinary story of his life and the growth of the Black Muslim movement. His fascinating perspective on the lies and limitations of the American Dream, and the inherent racism in a society that denies its nonwhite citizens the opportunity to dream, gives extraordinary insight into the most urgent issues of our own time. The Autobiography of Malcolm X stands as the definitive statement of a movement and a man whose work was never completed but whose message is timeless. It is essential reading for anyone who wants to understand America. Praise for The Autobiography of Malcolm X "Extraordinary . . . a brilliant, painful, important book."--The New York Times "This book will have a permanent place in the literature of the Afro-American struggle."--I. F. Stone

REA's MAXnotes for Alex Haley's "The Autobiography of Malcolm X" MAXnotes offer a fresh look at masterpiece(s) of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers. Amazon.com Review Malcolm X's searing memoir belongs on the small shelf of great autobiographies. The reasons are many: the blistering honesty with which he recounts his transformation from a bitter, self-destructive petty criminal into an articulate political activist, the continued relevance of his militant analysis of white racism, and his emphasis on self-respect and self-help for African Americans. And there's the vividness with which he depicts black popular culture--try as he might to criticize those lindy hops at Boston's Roseland dance hall from the perspective of his Muslim faith, he can't help but make them sound pretty wonderful. These are but a few examples. The Autobiography of Malcolm X limns an archetypal journey from ignorance and despair to knowledge and spiritual awakening. When Malcolm tells coauthor Alex Haley, "People don't realize how a man's whole life can be changed by one book," he voices the central belief underpinning every attempt to set down a personal story as an example for others. Although many believe his ethic was directly opposed to Martin Luther King Jr.'s during the civil rights struggle of the '60s, the two were not so different. Malcolm may have displayed a most un-Christian distaste for loving his enemies, but he understood with King that love of God and love of self are the necessary first steps on the road to freedom. --Wendy Smith Review Biography, published in 1965, of the American black militant religious leader and activist who was born Malcolm Little. Written by Alex Haley, who had conducted extensive audiotaped interviews with Malcolm X just before his assassination in 1965, the book gained renown as a classic work on black American experience. The Autobiography recounts the life of Malcolm X from his traumatic childhood plagued by racism to his years as a drug dealer and pimp, his conversion to the Black Muslim sect (Nation of Islam) while in prison for burglary, his subsequent years of militant activism, and the turn late in his life to more orthodox Islam. --The Merriam-Webster Encyclopedia of literature

They called him the 'angriest black man in America' . . . Celebrated and vilified the world over for his courageous but bitter fight to gain for millions of black men and women the equality and respect denied them by their white neighbours, Malcolm X inspired as many people in the United States as he caused to fear him. His remarkable autobiography, completed just before his murder in 1965, ranges from Omaha and Michigan to Harlem and Mecca, and tells of a young, disenfranchised man whose descent into drug addition, robbery and prison was only reversed by his belief in the rights struggle for black America, and his conversion to the Nation of Islam. Not only is this an enormously important record of the Civil Rights Movement in America, but also the scintillating story of a man who refused to allow anyone to tell him who or what he was.

Winner of the Pulitzer Prize for History and a New York Times bestseller, the definitive biography of Malcolm X hailed as "a masterpiece" (San Francisco Chronicle), Manning Marable's acclaimed biography of Malcolm X finally does justice to one of the most influential and controversial figures of twentieth-century American history. Filled with startling new information and shocking revelations, Malcolm X unfolds a sweeping story of race and class in America. Reaching into Malcolm's troubled youth, it traces a path from his parents' activism as followers of Marcus Garvey through his own work with the Nation of Islam and rise in the world of black nationalism, and culminates in the never-before-told true story of his assassination. Malcolm X is a stunning achievement, the definitive work on one of our greatest advocates for social change.

This fresh biography unearths previously unpublished nuances about Malcolm X's life. • Photographs • An exhaustive chronology

"In graphic novel format, explores the life and death of Malcolm X"--Provided by publisher.

The age of multitasking needs better narrative history. It must be absolutely factual, immediately accessible, smart, and brilliantly fun. Enter Andrew Helfer, the award-winning graphic-novel editor behind Road to Perdition and The History of Violence, and welcome the launch of a unique line of graphic biographies. If a picture is worth a thousand words, these graphic biographies qualify as tomes. But if you're among the millions who haven't time for another doorstep of a biography, these books are for you. With the thoroughly researched and passionately drawn Malcolm X, Helfer and award-winning artist Randy DuBurke capture Malcolm Little's extraordinary transformation from a black youth beaten down by Jim Crow America into Malcolm X, the charismatic, controversial, and doomed national spokesman for the Nation of Islam.

Malcolm Little's transformation from a black youth beaten down by Jim Crow America into Malcolm X, the charismatic, controversial, and doomed national spokesman for the nation of Islam is captured in this thoroughly researched and passionately drawn graphic biography.
