In today's world of people doing business anytime, anywhere from PC's and laptops, proper keyboarding skills are essential. While solid keyboarding skills never change, the applications and software do. That's why Century 21 Keyboarding not only teaches users the fundamentals, it also keeps them current with new technology-a reputation it's held for more than 75 years.

For keyboarding skills students need tomorrow, this is the book they need today. 40 lessons introduce new key learning and technique mastery, and 40 additional lessons emphasize word processing and business-document formatting including MLA-style reports, personal business letters, flyers, and newsletters. Timed writings and a variety of interesting activities help with basic keyboarding skills as well as strengthen oral and written communication, word-processing and Internet skills. Includes the latest in teacher support material with a top-spiral Teacher's Edition that provides tips, notes, and classroom suggestions, and an Instructor's Resource CD that includes articles about teaching keyboarding, methodology, student data files, lesson plans, and document solutions.
