For a quarter century, Melissa Etheridge has been one of the most iconic and prolific female rock musicians. This book critically examines this songwriter's portrayal of universal human emotions and experiences against the context of her life. • Provides critical analysis of the songs and recordings of iconic American singer-songwriter Melissa Etheridge • Includes an annotated bibliography of books and articles about Melissa Etheridge and a discography of her albums to facilitate further research • Analyzes the significance of Melissa Etheridge's work within the LGBT community • Identifies the gender-free nature of Melissa Etheridge's lyrics that enabled her to achieve great popularity with general audiences

Looks at the lives and music of 10 women singers in a range of sociocultural contexts.

The musical adventure of a lifetime. The most exciting book on music in years. A book of treasure, a book of discovery, a book to open your ears to new worlds of pleasure. Doing for music what Patricia Schultz—author of the phenomenal 1,000 Places to See Before You Die—does for travel, Tom Moon recommends 1,000 recordings guaranteed to give listeners the joy, the mystery, the revelation, the sheer fun of great music. This is a book both broad and deep, drawing from the diverse worlds of classical, jazz, rock, pop, blues, country, folk, musicals, hip-hop, world, opera, soundtracks, and more. It's arranged alphabetically by artist to create the kind of unexpected juxtapositions that break down genre bias and broaden listeners ' horizons— it makes every listener a seeker, actively pursuing new artists and new sounds, and reconfirming the greatness of the classics. Flanking J. S. Bach and his six entries, for example, are the little-known R&B singer Baby Huey and the '80s Rastafarian hard-core punk band Bad Brains. Farther down the list: The Band, Samuel Barber, Cecelia Bartoli, Count Basie, and Afropop star Waldemer Bastos. Each entry is passionately written, with expert listening notes, fascinating anecdotes, and the occasional perfect quote—“Your collection could be filled with nothing but music from Ray Charles,” said Tom Waits, “and you'd have a completely balanced diet.” Every entry identifies key tracks, additional works by the artist, and where to go next. And in the back, indexes and playlists for different moods and occasions.

Bachata—a guitar-based romantic music that debuted in Santo Domingo 's urban shantytowns in the 1960s—is today one of the hottest Latin genres. Still, fans and musicians have not forgotten the social stigma the genre carried for decades. This book interweaves bachata 's history and development with the socio-political context of Dominican identity. The author argues that its early disfavor resulted from the political climate of its origins and ties between class and race, and proposes that its ultimate acceptance as a symbol of Dominican identity arose from its innovations, the growth of the lower class, and a devoted following among Dominican migrants. La bachata—una m ú sica de guitarra que se estren ó en los barrios populares de Santo Domingo en los a ñ os 60—hoy, es uno de los g é neros latinos m á s populares. No obstante, sus aficionados y sus exponentes recuerdan el estigma social asociado que conllev ó por d é cadas. Este libro entretiene la historia y el desarrollo de la bachata con el contexto socio-pol í tico de la identidad dominicana. La autora plantea que su desaprobaci ó n temprana result ó del clima pol í tico en que naci ó y los v í nculos entre raza y clase social. Propone que su aceptaci ó n final como s í mbolo de identidad dominicana surge de sus innovaciones, el crecimiento de la clase baja y sus seguidores leales entre los migrantes dominicanos.

This book brings together renowned scholars and new voices to challenge current practices in ELT materials design in order to work towards optimal learning conditions. It proposes ideas and principles to improve second language task design through novel resources such as drama, poetry, literature and online resources; and it maps out a number of unusual connections between theory and practice in the field of ELT materials development. The first section of the book discusses how innovative task-writing ideas can stretch materials beyond the current quality to make them more original and inspiring; the second part examines how different arts and technologies can drive innovation in coursebooks; the third section describes how teachers and learners can participate in materials writing and negotiate ways to personalize learning.

- Who needs this book? Only every writer, photographer, illustrator, designer, businessperson, musician, songwriter, filmmaker, teacher, researcher, advertiser, and Web designer in the United States
- How to find copyright owners, request permissions, and keep records
- Easy-reference copyright duration chart, form agreements, form letters, resources, and checklists

Permissions—they 're enough to make anyone crazy. Thank heavens there 's Fair Use, Free Use and Use by Permission, the one-volume reference that is sure to save the sanity of thousands of grateful readers. Writers, photographers, illustrators, designers, teachers, researchers—anyone involved with intellectual property needs this practical, straightforward guide to copyright law. Find out what constitutes fair use, how to get permissions, and how to protect creative work, plus learn about copyright infringement, public domain, and much more. Illuminating true-life stories enliven the ins and outs of copyright law, and helpful charts, resource lists, and forms make the permissions experience vastly more manageable. Let a respected intellectual property lawyer show the way through the copyright maze!

There is an epigram in this book from the Phil Ochs song, "Crucifixion", about the Kennedy assassination, that states: I fear to contemplate that beneath the greatest love, lies a hurricane of hate. On February 11th 1963, the Beatles recorded "There's a Place", a dazzling, unheralded tune which was included

on their electrifying debut album, Please Please Me. This song firmly laid the foundation on which a huge utopian dream of the sixties would be built. Within that dream, however, also lay the seeds of a darker vision that would emerge out of the very counterculture that the Beatles and their music helped create. Thus, even as their music attracted adoring fans, it also enticed the murderous ambitions of Charles Manson; and though the Beatles may have inspired others to form bands, their own failed hopes ultimately led to their breakup. The disillusionment with the sixties, and the hopes associated with the group, would many years later culminate in the assassination of John Lennon and the attempted slaying of George Harrison by deranged and obsessive fans. In this incisive examination, author Kevin Courrier (*Dangerous Kitchen: the Subversive World of Zappa, Randy Newman's American Dreams*) examines how the Fab Four, through their astonishing music and comically rebellious personalities, created the promise of an inclusive culture built on the principles of pleasure and fulfillment. By taking us through their richly inventive catalogue, Courrier illustrates how the Beatles' startling impact on popular culture built a bond with audiences that was so strong, people today continue to either cling nostalgically to it, or struggle — and often struggle violently — to escape its influence.

The second of two volumes, this companion to every song that Bob Dylan has yet written is the most comprehensive examination of Dylan ' s oeuvre. Arranged in a chronology of when they were written rather than when they appeared on albums, the songs are accompanied by surprising facts and information. Using newly discovered manuscripts, anecdotal evidence, and a seemingly limitless knowledge of every Bob Dylan live performance, the research uncovers answers to such questions as What were Dylan ' s contributions to the Traveling Wilburys? Who were the women that inspired the songs on *Blood on the Tracks* and *Desire*? What material was appropriated for *Love and Theft* and *Modern Times*? Why was "Blind Willie McTell" left off *Infidels*? and What broke his long dry spell in the 1990s? This is an essential purchase for every true Bob Dylan fan, and is sure to inspire another listen to all of his songs.

"A definitive resource." —Midwest Book Review A Clear, Friendly Reference for Using, Protecting, and Profiting from Copyright Copyright may seem like a mystery, but it is actually quite easy to understand—as Lee Wilson demonstrates in *The Copyright Guide, Fourth Edition*. This resource explains everything you need to know to make copyright work for you, including how to license your copyrights, how to acquire the right to use the works of others, what copyright infringement is, how to protect your works from infringement, and how to avoid infringing on the works of others. This is a must-read for anyone who creates or uses copyright—which, due to the explosion of information technology, is just about everyone! In plain language with scores of real-life examples, this newly updated edition addresses important issues in copyright, including: How to secure copyright protection without a lawyer What constitutes copyright infringement How copyright law applies to new media When parody is really infringement How to handle copyright trolls With informative tips and easy-to-use forms, *The Copyright Guide* will save you legal fees, make sure you avoid infringing on the works of others, and help you protect and profit from what you create.

WARRIOR By Marilyn Garrison & Myra Foster As we wrote this book, It was our goal that you see Sawyer on every page... hear his laughter... taste his music... feel his heartbeat... see his spirit. Most know he fought against ' demons, ' but not all know he won. This book is about Sawyer Grooms, fallen firefighter, son, grandson, brother, friend, musician, encourager, amazing and awesome man. " With a heavy heart and sick stomach I am letting you know we lost an Awesome Firefighter; on the morning of May 2, 2016, Sawyer Grooms, age 26, passed away. Sawyer became a firefighter at the age of 19 and worked with us here at Great Lakes Agency. We knew what a beautiful, humorous, kind and talented man he was. — Dave Pergolski, Fire & Fuels Manager, BIA, GLA This book walks the steps of a proud, self-reliant man being transformed into a humble servant who learned total reliance upon God. " He was doing what his heart led him to do, a simple act where many of us fail. He loved his fire!! I recall many times telling him it was a dangerous job and he might want to rethink his choices. But for him, being outdoors, hiking, working hard, and the camaraderie... that was what it was all about. I know for a fact he loved the Lord, and has been fighting the ' good fight ' for years, and has a relationship with God. It showed in his tats, his music, his demeanor, and his heart. I WILL see him again. I thank you all for being a part of his life. God bless! " — Ernie Grooms, Sawyer ' s adoptive dad **THOSE WHO KNEW HIM BEST DESCRIBE HIM BEST** " Sawyer was always brutally honest and full of love. He brought me out of some pretty dark places just by being there. " —C. Pratt " The world lost an amazing man today. His heart was so big, his laugh so outrageous, his talent so profound. " — M. Elizabeth " He spoke seven words to me, ' Don ' t ever stop, don ' t ever give up! ' He was never lazy and didn ' t let opportunities lapse. That wasn ' t who he was. He gave me something I often lose—hope. " — D. Bonney " I ' ll never be able to thank him enough for what he did for me. " —J. Williams " You loved everyone around you and made them feel they were worth something. " — B. Panek " Every day I got to spend with Sawyer Grooms was a lucky day. " — D. Pergolski
