standards, and several appendices contain extensive data tables on commonly used cable types and their properties. Electric Cables Handbook is an extensive source of up-to-date and essential information for electrical engineers, contractors, supply authorities and cable manufacturers.

This book focuses on the site La Tiza, the longest continuously occupied site in the Wari Empire, and therefore provides invaluable insights into the rise and fall of the Wari state.

With its 104 chapters, this Encyclopedia of aquatic ecotoxicology reveals the diversity of issues, problems and challenges that have faced, and are facing today, receiving environments. It also indicates ways by which tools, strategies and future investigations can contribute to correct, minimize, solve and prevent water quality degradation. Structured homogeneously, the chapters convey salient information on historical background, features, characteristics, uses and/or applications of treated topics, often complemented by illustrations and case studies, as well as by conclusions and prospects. This work is most suitable for teaching purposes. Academics, for example, could literally deliver comprehensive lectures to students simply based on chapter outlines and contents. Meet the Authors of the Encyclopedia! Check out 'Meet the Authors' under ADDITIONAL INFORMATION (Right menu).

People always say it sounded like a firecracker at first. But it was a rifle shot that rang out from the fourth story of an apartment building in Cleveland, killing a handsome young Congressman as he delivered a speech. The suspect is Eugene Crown, an escaped convict who rented the apartment, but no one knows where he is now. After four weeks of intensive nationwide search, the police and the FBI have still not captured him. Then Intercontinental Insurance gets the bright idea to hire its best investigator, Milo March, to capture the killer—as a public service, of course. They are determined to prove that a large corporation can have a soul, and they're going to do it even if it kills Milo. But it won't. Milo will crisscross the country and the globe in search of the truth: Cleveland, Columbus, San Francisco, Los Angeles, Reno, Lisbon, New York City, Hong Kong, Cape Town, Paris... even a little old mining town in Arizona. All the while he is dogged by a sneering white-haired gangster determined to get to Crown before Milo does—to shut him up. Milo doesn't believe that Eugene Crown is the real culprit. He was a born loser by all accounts, and now, suddenly, he's a master criminal? Clearly Crown is no more than a pawn in a well-organized game of death. But why the Congressman? Because he was for civil rights? anti-Communist? anti-union? pro-Israel? There had to be an international conspiracy behind the deed, a group of men with a lot of money and one simple idea in common: Stir things up. Put the blame on the Left, the Right, the blacks, the whites, whoever—but scare everybody so that the men can get the things they want....
