Many people believe that the key to success in the stock market is buying low and selling high. But how many investors have the time, talent, and luck to earn consistent returns this way? In *The Ultimate Dividend Playbook: Income, Insight, and Independence for Today's Investor*, Josh Peters, editor of the monthly Morningstar DividendInvestor newsletter, shows you why you don't have to try to beat the market and how you can use dividends to capture the income and growth you seek.

"Rick Stoker is on the right track. We also intend to pursue a more income-oriented strategy in the years to come. Capital gains are subject to both the risk of a decline in economic fundamentals and a deterioration in market psychology. High-quality dividends and income are subject only to the former, and that makes a big difference in modeling your portfolio returns in retirement." -- Charles Lewis Sizemore CFA, Senior Analyst HS Dent Investment Management, LLC <http://www.hsdent.com/> "I am a Chartered Accountant in Canada and spent most of my career teaching in a community college. "Over the years, I have used various "plans," with varying degrees of success, but had never given much thought to dividends, so I fell prey to the hype about capital gains. So what was I thinking? Should have been investing for dividends. "I also learned about some new investment vehicles, and got a "heads up" on some investments that I was aware of, but put on the back burner. "Wish I knew about all this stuff when I was in my 20's, or at least paid attention to the theories involved in my 40's." --- Dennis Wilson "What an eye-opener!!! "I had heard about REITs, MLPs, BDCs, but you really explained their advantages and disadvantages. Thank you, Rick. You have set me on the right path to generate a steady income stream." -- Kenny H While the financial markets are collapsing . . . Finally, you too can discover the old-fashioned -- yet now revolutionary (and updated for the 21st century) -- "gold egg" income investing secrets for lazy investors Despite following the conventional financial wisdom, many senior citizens are now asking what happened to that worry-free fun and relaxation they promised themselves after a long career of hard work. Municipal bonds have traditionally given investors a reliable investment while providing state and local governments with an essential tool for funding public infrastructure projects. Now, the threat of municipalities defaulting and dramatic changes to the muni market's fundamental operations have created an attractive hotbed of opportunity for today's top institutional investors. Investing in Municipal Bonds is the retail investor's road map to the lucrative market that is fueling the digital and physical highways of the future. Only Dr. Philip Fischer can offer such a brilliantly practical amalgam of big-picture financial theory and nuts-and-bolts bond calculations. His crystal-clear explanation of the muni market covers every aspect, including the various "personalities" and traits of different types of bonds. His hands-on strategies for earning more from your money will keep this book at your fingertips as you customize a profitable municipal bond portfolio to achieve your financial goals. Political and business leaders as well as financial professionals seek Dr. Fischer's knowledge and firsthand insights into municipal securities, from day-to-day trading to milestone events like the 2008 financial crisis. Investing in Municipal Bonds shows you how it's done on Wall Street, providing a wealth of pertinent examples from the real world. You can rely on this powerful guidebook for the know-how and skill set you need to confidently: Invest in fixed-rate and variable-rate bonds, including Variable Rate Demand Obligations (VRDOs) Identify different types of bonds and determine how they will be repaid Execute municipal bond-yield calculations Navigate the derivatives market, including LIBOR interest-rate swaps Weigh the benefits of taxable municipal bonds Research municipal securities using the online database of the Municipal Securities Rule Making Board (MSRB) Bond yields will eventually rebound from these historic lows and bring increased risk. Investing in Municipal Bonds will give you the knowledge you need to adjust your risk and balance profit for continued success toward your financial goals. Praise for Investing in Municipal Bonds: "In addition to an accessible discussion of this unique market's financial structures, Fischer provides the historical context for why the market evolved the way it did--and how that history may influence municipal bond investments in an era of slow economic growth and rising costs for retirees." --MICHAEL STANTON, Publisher,
