"Solveig Hisdal is not only aware of the knowledge housed in Norway's museums, she has also learned how to use it. She has visited museums throughout the country, searching eagerly for the treasures that her ancestors left behind. She has found textiles, chests, cabinets and old folk costumes that have later become her greatest source of inspiration. This book is a result of her quest, and it shows how the creativity of the past has inspired her to make beautiful knitted designs. It contains wonderful knitting ideas for almost all occasions, from a child's christening outfit to an exquisite, knitted bridal cardigan with beads and silk. Whether you wish to be inspired by the beautiful pictures, or knit some of the outfits -- enjoy the book!"--P. [4] of cover.

Readers discover their inner talents with this illustrated, project-based guide to drawing and painting. Angela Gair teaches art techniques in a step-by-step format that makes it easy to learn the basics and create personal works of art. Over 400 color illustrations throughout.

In the disarmingly prim house shared by a novelist, Michael; his wife, Hilda, whose depravity is matched only by her staggering beauty; and Olive, their maid, occur events to confound the wildest imagination. In his diary, hopelessly yet willingly trapped in this bizarre menage, Michael sets down the day-to-day events that finally lead to a tragic conclusion.

DIVComprehensive study, based on contemporary accounts and accompanied by rare maps and illustrations, covers over 1,500 years of armed conflict - from Roman rule to war tactics during the Crusades. 15 black-and-white illustrations. /div

This 2003 edition of OECD's annual DAC Report presents detailed statistics and analysis on foreign aid flows and related policy developments. This issue focuses on policy coherence for development co-operation and delivery of more, and more effective aid.

After her ability to heal physical ailments is revealed to the world, thirteen-year-old Ava has trouble dealing with all the people who come seeking a miracle, especially since, with each healing, she grows weaker.

Fall to Pieces is a beautifully written, visceral, roller coaster ride inside bipolar disorder, rock 'n' roll, celebrity culture, and the world of modeling. Mary Forsberg Weiland, ex-wife of the late Scott Weiland, front man for Stone Temple Pilots and Velvet Revolver, tells a harrowing true story of depression, drug addiction, and mental illness with candor and, often, humor. Co-written with veteran journalist Larkin Warren, Fall to Pieces is a blistering, eye-opening memoir of Hollywood meltdown in the bestselling vein of Tatum O'Neal's A Paper Life and Valerie Bertinelli's Losing It.

Earn-lay atin-Lay? No, not that kind of Latin! You can learn true Latin, with conjugations, declensions, and all those extra syllables - and it's easier than you think. In fact, most people mistakenly think of learning Latin as perhaps the most useless, tedious, and difficult thing to do on earth. They couldn't be more wrong. Latin For Dummies takes you back for a quick jaunt through the parlance of ancient Rome, as well as discussing the progress of Latin into church language, and its status today as the "dead" language that lives on in English, Spanish, Italian, and most other Western tongues. Written for those with zero prior knowledge of Latin, this snappy guide puts the basics at your fingertips and steers clear of the arcane, schoolmarm stereotype of endless declensions and Herculean translations. Easy-to-understand sections describe: Latin you already know Grammar Pronunciation Latin in action Latin in law Latin in medicine Latin for impressing your friends And much more No dusty tome or other such artifact, Latin For Dummies makes learning fun and brings the language to life by presenting conversations in various Roman settings, as well as providing fun facts and stories about classical life. And if you feel you may actually have a negative aptitude for the language, don't worry; pronunciations and translations follow every expression, and a helpful mini-dictionary graces the book's last pages. You'll also find out about: The quotable Roman Latin graffiti Latin authors who's who Gladiator Latin Latin in love, marriage, and family From the mouth of Julius Caesar Romans on drink Helpful Latin-related Web sites Fun and games exercises Designed to introduce and familiarize you with the language rather than make you the next Cicero, Latin For Dummies gives you all the tools you need to work at your own pace to learn as much or as little as you like. So noli timere (no-lee tih-may-reh) - "have no fear" - and carpe diem ("pick up Latin For Dummies today")!

Witchcraft...or murder? 1763. With the end of the French and Indian War and a new king on England's throne, it seems the colonies have entered a peaceful and prosperous new era. And though the fashionable ladies of Boston might find Bracebridge altogether too peaceful to be stimulating, young widow Charlotte Willett likes it just as it is. But the calm of the little village is about to be shattered by a wealthy stranger who bursts into flame by the side of the road--and then disappears! The townspeople begin muttering about witchcraft and the devil's hand, casting suspicious glances at a local Frenchman. But Charlotte, who has a keen interest in human nature, and her neighbor Richard Longfellow, gentleman farmer and scientist, have more earthly speculations about the merchant's disappearance. Was it murder, or an elaborate scheme? And, with two mysterious deaths to follow and a tavern full of superstitious rabble, will Charlotte and Longfellow uncover the answers before it's too late?
