Why is it significant that Mattie is often compared to a bird in Ethan Frome? Mattie is often compared to a bird in Ethan Frome to connect Mattie with nature (which is why Ethan falls in love with her): "The motions of her mind were as incalculable as the flit of a bird in the branches." Later Ethan watches Mattie sew and compares her hands to "a pair of birds mak[ing] short perpendicular flights over a nest they were building," suggesting the life of domesticity he craves to build with her.

Ethan Frome Homework Help Questions. ... What are some similes in Chapter 1 of "Ethan Frome," by Edith Wharton? "Ethan Frome" is a novel by Edith Wharton about a man, Ethan, his wife, Zeena, and ...

Set against the bleak winter landscape of New England, Ethan Frome is the story of a poor farmer, lonely and downtrodden, his wife Zeena, and her cousin, the enchanting Mattie Silver. In the playing out of this short novel's powerful and engrossing drama, Edith Wharton constructed her least characteristic and most celebrated book.

Winner of the 1921 Pulitzer Prize, *The Age of Innocence* is an elegant, masterful

portrait of desire and betrayal in old New York—now with a new introduction from acclaimed author Colm Tóibín for the novel's centennial. With vivid power, Wharton evokes a time of gaslit streets, formal dances held in the ballrooms of stately brownstones, and society people "who dreaded scandal more than disease." This is Newland Archer's world as he prepares to marry the docile May Welland. Then, suddenly, the mysterious, intensely nonconformist Countess Ellen Olenska returns to New York after a long absence, turning Archer's world upside down. This classic Wharton tale of thwarted love is an exuberantly comic and profoundly moving look at the passions of the human heart, as well as a literary achievement of the highest order.

For fans of *The Paris Wife*, a sparkling glimpse into the life of Edith Wharton and the scandalous love affair that threatened her closest friendship. They say behind every great man is a woman. Behind Edith Wharton, there was Anna Bahlmann—her governess turned literary secretary, and her mothering, nurturing friend. When at the age of forty-five, Edith falls passionately in love with a dashing younger journalist, Morton Fullerton, and is at last opened to the world of the sensual, it threatens everything certain in her life but especially her abiding friendship with Anna. As Edith's marriage crumbles and Anna's disapproval threatens to shatter their lifelong bond, the women must face the fragility at the heart of all friendships. Told through the points of view of both women, *The Age of Desire* takes us on a vivid journey through Wharton's early Gilded Age world: Paris

with its glamorous literary salons and dark secret cafés, the Whartons' elegant house in Lenox, Massachusetts, and Henry James's manse in Rye, England. Edith's real letters and intimate diary entries are woven throughout the book. *The Age of Desire* brings to life one of literature's most beloved writers, whose own story was as complex and nuanced as that of any of the heroines she created.

Smart, sublime, and wickedly clever, *The Smash-Up* captures—then transcends—our current polarized moment “An exhilarating ride . . . hilarious . . . a modern and energetic story about a marriage on the skids.”—*The New York Times*

Ethan has always been one of the good guys, and for years, nobody has appreciated this fact more than his wife, Zo. Until now. Jolted into activism by the 2016 election, Zo's transformed their home into the headquarters for the local resistance, turning their comfortable decades-long marriage inside-out. Meanwhile, their boisterous daughter, Alex, grows wilder by the day. Ethan's former business partner needs help saving the media company they'd co-founded. Financial disaster looms. Enter a breezy, blue-haired millennial making her way through the gig economy. Suddenly Ethan faces a choice unlike any he's ever had to make. Unfolding over five turbulent days in 2018, *The Smash-Up* wrestles shrewdly with some of the biggest questions of our time: What, exactly, does it mean to be a good guy? What will it take for men to break the “bro code”? How does the world respond when a woman demands more? Can we ever understand another's experiences... and what are the consequences of failing to try? Moving, funny, and

cathartic, this portrait of a marriage—and a nation—under strain is, ultimately, a magic trick of empathy, one that will make you laugh and squirm until its final, breathless pages.

Set in the 1870s, the same period as Wharton's *The Age of Innocence*, *The Buccaneers* is about five wealthy American girls denied entry into New York Society because their parents' money is too new. At the suggestion of their clever governess, the girls sail to London, where they marry lords, earls, and dukes who find their beauty charming—and their wealth extremely useful. After Wharton's death in 1937, *The Christian Science Monitor* said, "If it could have been completed, *The Buccaneers* would doubtless stand among the richest and most sophisticated of Wharton's novels." Now, with wit and imagination, Marion Mainwaring has finished the story, taking her cue from Wharton's own synopsis. It is a novel any Wharton fan will celebrate and any romantic reader will love. This is the richly engaging story of Nan St. George and guy Thwarte, an American heiress and an English aristocrat, whose love breaks the rules of both their societies.

In Italian Backgrounds, Wharton hikes Volterra, sails to Isola Bella, Lago Maggiore to take in an incredible baroque water theatre and visits the convent of Saint Paul in Parma to see Correggio's frescoes. Her descriptions are so detailed, informed and analytical that her appreciation of Italian culture, history and art are evident.

Also evident is her desire to educate her readers as to the importance of such details to travelers. Wharton includes readers in her travel dilemmas: should she continue to travel in the Swiss Alps or to go to the cities where there is art and architecture? She describes the geography she sees in terms of painter's landscapes. She sees a meadow as a perfect place for one of "Bonifazio's sumptuous picnics" while one drive looks out on a "pastoral of Giorgione's." She provides a historical, spiritual and artistic view of hermits and their hermitages. Some of the sights Wharton took in no longer exist, at least as they were when she visited. The Farnesse Theatre was bombed during WWII. Its present restoration does not do the original justice, even though it was in disrepair when Wharton saw it. Wharton's tours of Italy, taken almost yearly during the span of her marriage, probably contributed to her creation of *The Decoration of Houses* with architect Ogden Codman, as she dedicates a whole chapter to the pleasing qualities of the Baroque architectural style. Many traditional Baroque elements were a critical part of the curriculum of the *École des Beaux-Arts*. The Beaux-Arts style was the emphasis Codman was known to place on his interior designs and decors.

This is the story of spoiled Undine Spragg, a vain heroine who rises from Dakota to New York to Paris, leaving behind a trail of broken promises on her quest for a place in the upper class.
