There's only one problem... When it comes to risking my money, I've mastered every trick in the book. But how the hell do I risk my heart? ** I'm one puff piece away from tearing up my journalism degree and hurling my laptop into the Hudson River. So when I smell a juicy story brewing at my brother's Wall Street investment firm, I'll do whatever it takes to get my scoop. One clever disguise later, I'm deep undercover as the firm's newest broker, simultaneously gathering intel and spouting off stock tips like a boss. Go me, right? Sure, it sounds good on paper, but there's a catch: the actual boss, Chief Executive Panty-melter Jack Holt is cocky. Infuriating. And one smoldering look has me ready to violate every rule in the employee handbook. Thank God my assignment has an expiration date. Because falling for my brother's best friend and business partner is a lose-lose proposition. Right?

All over the office As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as The Office by thy789—and garnering over 2 million reads on fanfiction sites—Beautiful Bastard has been extensively updated for re-release.
