Far from the Tree: Parents, Children, and the Search for Identity by Andrew Solomon (author of the also excellent work, The Noonday Demon: An Atlas of Depression) is a lengthy (yet precise) examination of what Solomon calls "horizontal" identity: the identity that a child has that is markedly different from that of his or her parents (which Solomon calls vertical identity). There are many ways in which this happens.

interweaving story of three very different teenagers connected by blood explores the meaning of family in all its forms—how to find it, how to keep it, and how to love it. Being the middle child has its ups and downs. But for Grace, an only child who was adopted at birth, discovering that she is a middle child is a different ride altogether. After putting her own baby up for adoption, she goes looking for her biological family, including— Maya, her loudmouthed younger bio sister, who has a lot to say about their newfound family ties. Having grown up the snarky brunette in a house full of chipper redheads, she's quick to search for traces of herself among these not-quite-strangers. And when her adopted family's long-buried problems

begin to explode to the surface, Maya can't help but wonder where exactly it is that she belongs. And Joaquin, their stoic older bio brother, who has no interest in bonding over their shared biological mother. After seventeen years in the foster care system, he's learned that there are no heroes, and secrets and fears are best kept close to the vest, where they can't hurt anyone but him. Don't miss this moving novel that addresses such important topics as adoption, teen pregnancy, and foster care.

Solomon's magisterial *Far and Away* collects a quarter-century of soul-shaking essays" (Vanity Fair). *Far and Away* chronicles Andrew Solomon's writings about places undergoing seismic shifts—political, cultural, and spiritual. From his stint on the barricades in Moscow in 1991, when he joined artists in resisting the coup whose failure ended the Soviet Union, his 2002 account of the rebirth of culture in Afghanistan following the fall of the Taliban, his insightful appraisal of a Myanmar seeped in contradictions as it slowly, fitfully pushes toward freedom, and many other stories of profound upheaval, this book provides a unique window onto the very idea of social change. With his signature brilliance and compassion,

Solomon demonstrates both how history is altered by individuals, and how personal identities are altered when governments alter. A journalist and essayist of remarkable perception and prescience, Solomon captures the essence of these cultures. Ranging across seven continents and twenty-five years, these "meaty dispatches...are brilliant geopolitical travelogues that also comprise a very personal and reflective resume of the National Book Award winner's globe-trotting adventures" (Elle). Far and Away takes a magnificent journey into the heart of extraordinarily diverse experiences: "You will not only know the world better after having seen it through Solomon's eyes, you will also care about it more" (Elizabeth

identity, a self, and then out of nowhere and with great force, the traces of our parents appear to us, in us--in mirrors, in gestures, in reaction and reactivity, at weddings and funerals, and in troubled thoughts that crouch in dark corners of our minds. In this masterful collection of new essays, the apple looks at the tree. Twenty-five writers deftly explore a trait they've inherited from a parent, reflecting on how it affects the lives they lead today--how it shifts their relationship to that parent (sometimes posthumously) and to their sense of self. Apple, Tree's all-star lineup of writers brings eloquence, integrity, and humor to topics such as arrogance, obsession, psychics, grudges, table manners, luck, and laundry.

many ways in which children reshape their parents' lives, whether it's their marriages, their jobs, their habits, their hobbies, their friendships, or their internal senses of self. She argues that changes in the last half century have radically altered the roles of today's mothers and fathers, making their mandates at once more complex and far less clear. Recruiting from a wide variety of sources—in history, sociology, economics, psychology, philosophy, and anthropology—she dissects both the timeless strains of parenting and the ones that are brand new, and then brings her research to life in the homes of ordinary parents around the country. The result is an unforgettable series of family portraits, starting with

parents of young children and progressing to parents of teens. Through lively and accessible storytelling, Senior follows these mothers and fathers as they wrestle with some of parenthood's deepest vexations—and luxuriate in some of its finest rewards. Meticulously researched yet imbued with emotional intelligence, *All Joy and No Fun* makes us reconsider some of our culture's most basic beliefs about parenthood, all while illuminating the profound ways children deepen and add purpose to our lives. By focusing on parenthood, rather than parenting, the book is original and essential reading for mothers and fathers of today—and tomorrow.
