Two sizzling-hot authors. One incendiary volume. Four can play at this game... In Pillow Talk by Maya Banks, Zoe is a woman in a committed relationship with her boyfriend Chase. Then one night, Chase reveals his number-one fantasy, which involves his two best buddies. Is Zoe game? She sure is, because it opens the door for a secret fantasy all her own. In Shayla Black's Her Fantasy Men, a girly-girl named Kelsey plays football, craves action movies, and loves knocking back a cold beer with her three best friends-all male. Yet she's never seemed sexually interested in any one of these hot guys. So what does Kelsey want? A fantasy come true for all four of them.

Presents the day in the life of Maya villagers, describing how they work together to get tasks done, including cooking, farming, weaving, and construction.

When her life is threatened by a killer, police officer Regina is reunited with a trio of former juvenile delinquents with whom she was once involved, and she finds herself again caught up in a passionate bond with all three men.

An artful mixture of fantasy and reality, humor and heart, Maya Was Grumpy celebrates the power of imagination and humor to improve moods. Maya wakes up on the wrong side of the bed, tangled in her blanket, and in a crispy, cranky, grumpy, grouchy mood. She doesn 't want to color or wear her favorite shorts or go outside to play. What 's worse, she 's determined to share her grumpiness with everyone as she glumps, clumps, and thumps around the house. But when Maya growls at her grandmother, she graciously takes Maya 's mood in stride, and even has a solution: Gramma suggests a series of unusual activities that Maya will probably not want to do since she 's feeling grumpy—and then dismisses her own silly suggestions before Maya can reject them. Children will find it hard to keep from smiling as they watch Maya 's grouchiness dissolve into glee at Gramma 's giggle-inducing ideas, while adults will find Gramma 's clever tactic a useful strategy to add to their repertoire when kids are grumpy.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou 's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother,

Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

In this rhyming celebration of playtime, bilingual Maya Papaya welcomes all four seasons with a flair for dress-up and an inclusion of Spanish words in an English narrative. Strong writing, a spunky protagonist, and themes of playtime and the changing seasons lead to a celebration as Maya Papaya plays dress-up and speaks to her toys in English and Spanish, going on adventures and making the most of their time together. Expert author Susan Middleton Elya is a former Spanish teacher and known for her prolific, award-winning bilingual books for children.

*Includes pictures *Includes excerpts of the Popol Vuh *Includes online resources and a bibliography for further reading Many ancient civilizations have influenced and inspired people in the 21st century. The Greeks and Romans continue to fascinate the West today. But Page 5/10

of all the world's civilizations, none have intrigued people more than the Mayans, whose culture, astronomy, language, and mysterious disappearance all continue to captivate people. In 2012 especially, there was a renewed focus on the Mayans, whose advanced calendar led many to speculate the world would end on the same date the Mayan calendar ends. The focus on the "doomsday" scenario, however, overshadowed the Mayans' true contribution to astronomy, language, sports, and art. Unlike most of the world's sacred books - the Quran, the Bible or the I-Ching for example - nobody knows the universal name, if there ever was one, for the Maya's collection of myths. Instead, the title that has been passed down, the "Popol Vuh," appears to be the specific title given to a particular copy of these tales. Its meaning, roughly translated as the Council Book, refers to the special role of this text: it was the shared property of the council of lords that ruled the Quich kingdom and was apparently regularly consulted by that body for advice to guide their rule. However, in the opening sections, the scribes who penned the text also give it several other names, including "the Light That Came from Beside the Sea," "Our Place in the Shadows" and "The Dawn of Life" (pg 63). All of these names were originally in K'ichean Maya, the language spoken by the Maya of the Quich Kingdom and its neighboring regions. The first of these names refers to a pilgrimage by the a portion of the original text. The second refers to Part IV, the period before the first Dawn (the "Shadows") when the ancestral Quich earned their particular right to rule. The final name refers to Part I, when the first gods created all of the various parts of life. This multiplicity of names and titles for sacred works is not uncommon, and perhaps comparable to the Bible being referred to as "the Good Book" or (in reference to the New Testament) "the

Good News" or the "Gospel." The name Popol Vuh is itself controversial as the original text actually spells the name three different ways: "Popol Vuh", of course, but also "Pop Wuj" and "Popol Wuj." In general, the most correct form in contemporary Quiche spelling is probably "Popol Wuj", but as the text is best known in English with the word "Vuh", this convention will be maintained here (Eenriik 2014). There are a number of translations and editions of the Popol Vuh, which vary considerably in quality. Many early editions were not informed by the latest scholarship in Maya linguistics and sometimes the ways they translate names in particular can vary. This text will use the Second Edition (1996), translated by Dennis Tedlock and published by Simon and Schuster, for all of its quotations and page citations. The Popol Vuh: The History and Legacy of the Maya's Creation Myth and Epic Legends examines what's contained within and how the Popol Vuh survived to the present day. Along with pictures depicting important people, places, and events, you will learn about the Popol Vuh like never before.

In this international bestseller from the critically acclaimed Little People, BIG DREAMS series, discover the incredible life of Maya Angelou, the powerful speaker, writer and civil rights activist. Maya Angelou spent much of her childhood in Stamps, Arkansas. After a traumatic event at age eight, she stopped speaking for five years. However, Maya rediscovered her voice through wonderful books, and went on to become one of the world's most beloved writers and speakers. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of Maya Angelou's life. Little People, BIG DREAMS is a bestselling series of books and educational

Two all-new novellas that cross the boundaries of desire. Exiled by Maya Banks...Enticed to the island paradise where an enigmatic prince is living in exile, beautiful, virginal Talia is introduced to a world of forbidden pleasure where the prince 's every whim is fulfilled and her fantasies are rendered in exquisite detail. But when the prince is summoned back to fulfill his duty to his struggling country, reality is thrust upon Talia all too soon. She returns home, heartbroken, convinced she was a passing fancy for an idle ruler and his most trusted men. Until the day they arrive on her doorstep, determined to have her back where she belongs. Sway by Lauren Dane...Levi Warner is an established, older man—wealthy, powerful, and above all, respectable. Then Levi meets Daisy, an uninhibited 24-year-old dance instructor and artist, not exactly the kind of woman Levi is accustomed to. But the young, free spirit, brings out something in him he only experienced in fantasies. When their scorching affair turns into something unexpectedly deeper, Levi finds himself torn between preserving his reputation, and exploring a wilder and much more satisfying kind of life.
