After a sea operation gone wrong, Navy SEAL Rita Sawyer awakens to find herself still clad in her wetsuit and in a cage with a bunch of Vikings staring at her, including one very tempting warlord. Steven of Norstead has been in a cold, dark mood for many weeks. But perhaps this unusual woman, with her sharp tongue and irksome ways, could be the one to light his fire.

After she is captured by Viking raiders, twenty-five-year-old Mairead is left with no choice but to depend on Gunnar Freysson, the battle-hardened leader of the Norsemen, to protect her and her young children. Though he makes it clear that she is his property to do with as he pleases, Gunnar shows remarkable concern for Mairead's wellbeing, and when she risks her life in a dangerous attempt at escape he does not hesitate to strip her bare and spank her soundly. The strict punishment leaves Mairead thoroughly ashamed yet helplessly aroused, and when Gunnar takes her in his arms and claims her properly she cannot deny her body's response to his dominant lovemaking. As the days pass, Mairead realizes that Gunnar cares for her deeply, and despite her situation she finds herself falling in love with the stern, handsome warrior. But can she truly give her heart to the man who took her from her home? Publisher's Note: Her Dark Viking is a stand-alone sequel to Her Rogue Viking. It includes spankings and sexual scenes. If such material offends you, please don't buy this book.

A DARK VIKING ROMANCE Murder. Passion. Two ancient worlds colliding. As the second son of a Viking earl, Alv Gunnulfsen wasn't meant to inherit a throne or avenge a murder. But when his brother is slain during a raid and their father dies of grief, Alv is expected to take command and claim the killer's death. In a world of ruthless retaliation and strict social codes, he must also maneuver cleverly to protect a troublesome secret: his attraction for men. Roeland van Dijk, a wealthy Dutch merchant settled in Norway, has done the unthinkable to protect his family - hacked off the head of a Viking rapist. The wrath of the blond savages will cost him his freedom, and possibly his own head... Unless he's willing to accept the love of another man.

DO DREAMS COME TRUE? Kirstin Magnusson is haunted by dreams of a fierce Viking warrior in a cage, being tortured and humiliated by his Saxon captors. Is it a fantasy, or a cry for help? But she's a no-nonsense college professor, not a Navy SEAL like her brothers or a Norse fighting man, like her father once was. What can she do to help? Call on her academic training, of course, and form a plan.... WHAT ABOUT NIGHTMARES? Once called Hauk the Handsome, Hauk Thorsson is far from it these days, having lived in a filthy Saxon cage for over six months. All because he allowed grief over the death of his son to distract him. However, Hauk has a plan to escape soon and join the approaching army of Sweyn Forkbeard...until that lackbrain woman arrives and causes nothing but trouble. BUT SOME DREAMS END HAPPILY EVER AFTER: All right, it depends on the definition of "ever after." And mayhap it wasn't the best idea for Hauk to kidnap Kirstin, but she'd said she needed time; so, he was just doing what she wanted, sort of.

Captured. Seduced. Craved. Eirik is used to taking whatever he desires for his own, and what he wants is Elswyth. He'll have her submission, even if it means parading her in front of his drunken raiders and threatening to claim her before them all. Elswyth has gone from a loveless marriage to the captive of a Viking brute. So why does she find herself aroused and yearning to submit to his fierce seduction? Her heart speaks to his hardened soul and he vows to show her the true nature of what it means to be loved by a Viking. In Eirik's arms, can Elswyth find what her heart yearns for? Dare she follow him to distant lands, across the vast, dark sea? 'Viking Thunder' is a 13,000 word novelette, featuring explicit scenes. Part One in the Viking Thunder series. The stirring sequel, Viking Wolf, is due for release in mid-2018.

Psychologist Joy Nelson thinks things are bad when she finds herself training in the modern-day female Navy SEALs program. But then her life takes a turn for the worse. Somehow she's been thrust back in time to the cold Norselands, being auctioned off as a thrall, or slave—a gift for a Viking warlord, who would be a perfect candidate for Male Chauvinist Viking of the Centuries.
