This was the first of Klavan's books that I've read and it won't be the last. Not knowing much about his work, I figured I'd start here and see where I ended up. *If We Survive* is definitely action-packed, from nearly the first page to the last and has a level of detail to the settings and situations that draw the reader in.

When revolutionaries seize control of a country in Central America where sixteen-year-old Will is serving at a mission, he and the other volunteers find themselves in a desperate race to escape the violence and return home.

They came on a mission of mercy, but now they're in a fight for their lives. High schooler Will Peterson and three friends journeyed to Central America to help rebuild a school. In a poor, secluded mountain village, they won the hearts of the local people with their energy and kindness. But in one sudden moment, everything went horribly wrong. A revolution swept the country. Now, guns and terror are everywhere--and Americans are being targeted as the first to die. Will and his friends have got to get out fast. But streets full of killers . . .hills patrolled by armies . . . and a jungle rife with danger stand between them and the border. Their one hope of escape lies with a veteran warrior who has lost his

faith and may betray them at any moment. Their one dream is to reach freedom and safety and home. If they can just survive.

What should have been an ordinary morning is about to spiral into a day of unrelenting terror. As a reporter for his high school newspaper, Tom is always on the lookout for an offbeat story. But from the moment he woke up this morning, his own life has been more bizarre than any headline could ever tell. The streets of his town are suddenly empty and silent. A strange fog has drifted in from the sea and hangs over everything. And something is moving in that fog. Something evil. Something hungry. Closing in on Tom. Tom's terrified girlfriend Marie says the answers lie at the Santa Maria Monastery, a haunted ruin standing amidst a forest blackened by wildfire. But can he trust her? A voice that seems to be coming from beyond the grave is warning him that nothing is what it seems. Only one thing is certain: with his world collapsing around him, Tom has only a few hours to recover the life he knew—before he, too, is lost forever in this nightmare city.

Do Right, Fear Nothing. Sam Hopkins is a good kid who has fallen in with the wrong crowd. Hanging around with car thieves and thugs, Sam knows it's only a matter of time before he makes one bad decision too many and gets into real trouble. But one day, Sam sees these friends harassing an eccentric schoolmate named Jennifer. Finding the courage to face the bullies down, Sam loses a bad set of friends and acquires a very strange new one. Jennifer is not just eccentric. To Sam, she seems downright crazy. She has terrifying hallucinations involving demons, the devil, and death. And here's the really crazy part: Sam is beginning to suspect that these visions may actually be prophecies—prophecies of something terrible that's going to happen very soon. Unless he can stop it. With no one to believe him, with no one to help him, Sam is all alone in a race against time. Finding the truth before disaster strikes is going to be both crazy and very, very dangerous. "The adrenaline-charged action will keep you totally immersed." —RT Book Reviews

Charlie West just woke up in someone else's nightmare. He's strapped to a chair. He's covered in blood and bruises. He hurts all over. And a strange voice outside the door just ordered his death. The last thing he can remember, he was a normal high-school kid doing normal things—working on his homework, practicing karate, daydreaming of becoming an air force pilot, writing a pretty girl's number on his hand. How long ago was that? Where is he now? Who is he really? And more to the point . . . how is he going to get out of this room alive?

Charlie West went to bed an ordinary high-school student. He woke up strapped to a chair, covered in blood and bruises. He hurts all over. And a strange voice outside the door has just ordered his death.

When Rick lost the ability to run, he came one step closer to becoming a hero. New High Score! New Record Time! Rick nodded with grim satisfaction. He laid the game controller aside on the sofa and reached for his crutches. Rick Dial was the best quarterback Putnam Hills High School had ever seen. Unflappable. Unstoppable. Number 12. But when a car accident left him crippled, Rick's life as he knew it ended. He disavowed his triumphant past. He ignored his girlfriend. He disappeared into his bedroom—and into the glowing video screen. But Rick's uncanny gaming skills have attracted attention. Dangerous attention. Government agents have uncovered a potentially devastating cyber-threat: a Russian genius has created a digital reality called the Realm, from which he can enter, control, and disrupt American computer systems . . . from transportation to defense. The agents want Rick, quick-thinking quarterback and gaming master, to enter the Realm and stop the madman—before he sends America into chaos. Entering the Realm will give Rick what he thought he'd never have again: a body as strong and fast as it was before the accident. But this is no game, there are no extra lives, and what happens to Rick in the Realm happens to Rick's body in reality. Even after Rick agrees to help, he can't shake the sense that he's being kept in the dark. Why would a government agency act so aggressively? Can anyone inside the Realm be trusted? How many others have entered before him . . . and failed to return? In the tradition of Ender's Game and The Matrix, MindWar is a complex thriller about a seemingly ordinary teenager who discovers a hidden gift—a gift that could make him a hero . . . or cost him everything. "Edgar Award-winning Klavan's well-orchestrated fantasy thriller features . . . an imaginative mix of gaming action with real-life stakes. With just the right cliff-hanger ending, this trilogy opener shows promise." —Booklist

"You're not alone. You're never alone." Charlie West has held on to that belief, but now he's starting to wonder. He went to bed one night an ordinary high-school kid. When he woke up, he was wanted for murder and hunted by a ruthless band of terrorists. He's been on the run ever since. Now he's stuck in prison, abandoned by his allies, trying desperately to stay a step ahead of vicious prison gangs and brutal guards. And a flash of returning memory tells him another terrorist strike is coming—soon. A million people will die unless he does something. But what? He's stuck in a concrete cage with no way out and no one who can help. Charlie has never felt so alone—and yet he knows he can't give in or give up . . . not with the final hour ticking away. "A thriller that reads like a teenage version of 24 . . . an adrenaline-pumping adventure." —TheDailyBeast.com (review of The Last Thing I Remember)

A pious family man is pulled back into his sordid past—and into a race to stop a terrorist plot—in this thriller by an Edgar Award-winning author. Sustained by a deep religious faith, Jason Harrow has built a stable family and become a pillar of principle and patriotism. Then the phone rings, and his past is on the other end of the line. A woman with whom he once shared a life of violence and desire claims her daughter is missing—and Jason is the one man who can find her. Returning to New York City from the Midwest, Jason finds himself entangled in a murderous conspiracy that bizarrely links his private

passions to the turmoil of a world at war. Hunted by terrorists and the police, Jason has only hours to unravel an ex-lover's lies and face the unbearable truth: In order to prevent a savage attack on his country, he's going to have to risk his decency, his sanity—and his life. "The most original novelist of crime and suspense since Cornell Woolrich." —Stephen King "Klavan's writing is masterful, and his characters superbly drawn." —Forbes "A wickedly satiric thriller with political overtones . . . [that] builds to an explosive climax." —Publishers Weekly

"Never give in." Ever since he woke up in a terrorist torture chamber—with a year of his life erased from his mind—Charlie West has been on the run. He has one desperate hope of getting his life back: track down the mysterious agent named Waterman. But in fact, reaching Waterman—and recovering the secrets lost in his own memory—will only increase his danger. Because a team of ruthless killers is rapidly closing in on him, determined to stop him from finding the answers. And the truth of the matter is more incredible . . . and more deadly . . . than he could ever imagine. "Action sequences that never let up . . . wrung for every possible drop of nervous sweat." —Booklist review of *The Long Way Home*
