This instructor's edition of a vocabulary textbook for college students, who read at the fifth to eighth grade level, features 25 chapters and teaches 250 basic words. The first and third chapters in each unit contain word-part practices. The second and fourth chapters in each unit contain synonym-antonym practices. The book's last chapter in each unit contains an analogy practice, review, and test. Also included is an answer key, a section on dictionary use, and a word list. The student edition is identical to the instructor's edition except that answers are not provided. (CR)

"Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

To provide meaningful, organized vocabulary improvement for the high school student whose goals may be college admission, a responsible position, or self-improvement.

HELP YOUR CHILD VANQUISH VOCABULARY! We've selected 230 words to help your child expand their vocabulary and enhance their school and reading success. With words and a contextual sentence on the front, and definitions, pronunciation, and syllable breaks on the back, our Sylvan flashcards make learning easy and fun. We've also included 10 blank cards kids can use for new or personalized vocabulary. Plus, it's easy to keep track of which words your child has learned with the color-coded meter on the side of this box. Once your child feels comfortable with a card, flip it upside down, move it to the back of the box behind the divider, and watch your child's vocabulary grow!
