Welcome to "Encounters", a groundbreaking Chinese language programme that features a dramatic series filmed entirely in China. The programme's highly communicative approach immerses learners in the Chinese language and culture through video episodes that directly correspond to units in the textbook. By combining a compelling story line with a wealth of educational materials, "Encounters" weaves a tapestry of Chinese language and culture rich in teaching and learning opportunities. "Encounters" follows a carefully structured and cumulative approach. Students progress from listening and speaking to the more difficult skills of reading and writing Chinese characters, building grammar, vocabulary, and pronunciation skills along the way. "The Encounters" programme includes: Two Full-

Implantology (ITI) has recommended the SAC Classification to categorize implant treatment procedures into three levels of difficulty-straightforward, advanced, and complex. In 2007 the ITI organized a conference to standardize the application of the SAC classification, the conclusions of which are presented in this volume. This invaluable resource will help clinicians identify treatment complexity and risk before treating a patient, thereby improving the predictability and success of their outcomes.
