The PhoneMore's choice is LG Optimus S LS670 The phonemore's choice is much more technical than personal, so don't just evaluate it. Our goal is to help, but what's important to us may not be important to you.

The consequences of drug use, whether illicit or prescribed. Consequences that can be enduring, lifelong, even carry through generations. Yet few of us have the time to consider them as we live in the heat of our own daily lives. I have seen this in action, watched events while they happened, seen it unfold, lived through the results, and unfortunately am observing the ongoing calamities of it all, still today. It is not fun to watch but not mine to fix. I was and am an observer, a recorder, merely that, out of the action, incapable of altering the results. My wife made a great point on this novels subject. Drug use she said is a leveler. It brings people down the lowest common denominator. What a concept! How right on is that statement! Drugs affect the rich, the poor, the famous, and the infamous in every country and nationality on this earth. If you are on the upscale end drugs keep you there. The users life contribution to humanity is likely to be nothing, but the cost to the user, their family and friends in physical, emotional, and fiscal terms expensive and of course dangerous, because it may also kill you. I have put these observations into this novel hoping that readers can identify with the characters, watch them grow and suffer through the consequences of their actions unaware of the effect of their lives and on others.

Embroiderers will welcome this delightful collection of charted designs by Gerda Bengtsson, considered one of the greatest living designers of counted cross-stitch designs. Here are more than 40 exquisite florals, including such favorites as Buttercups, Anemone, Pansies, Spring Flowers, Iceland Poppy, Crowberry, Lapland Rhododendron, Wild Fruit, Sweet Violet, Lady's Mantle, Stone Bramble, and Hare's-Foot Clover. All of the designs are color keyed to both D.M.C. and Danish Flower Thread embroidery floss, and because the chart makes it easy to vary the size of the design they can be used to decorate anything from small pillows to bedspreads. The patterns lend themselves to use not only in cross-stitch, but also needlepoint, rug-hooking, crochet, and other forms of counted thread embroidery.

Combining superb writing with scathing wit, American Satire is literature with a laugh and the approach with a hiss. It stands as a definitive demonstration of what the land of the free-speaking and home of the unafraid is all about.

Write. Publish. Repeat. The No-Luck-Required Guide to Publishing In 2013, Johnny B. Truant and Sean Platt published 1.5 million words and made their full-time livings as indie authors. In Write. Publish. Repeat., they tell you exactly how they did it: how they created over 15 independent franchises across 50+ published works, how they turned their art into a logical, sustainable business, and how any independent author can do the same to build a sustainable, profitable career with their writing. Write. Publish. Repeat. explains the current self-publishing landscape and covers the truths and myths about what it means to be an indie author now and in the foreseeable future. It explains how to create books your readers will love and will want to return to again and again. Write. Publish. Repeat. details expert methods for building story worlds, characters, and plots, understanding your market (right down to your ideal reader), using the best tools possible to capture your draft, and explains proven best practices for editing. The book also discusses covers, titles, formatting, pricing, and publishing to multiple platforms, plus a bit on getting your books into print (and why that might not be a good idea!). But most importantly, Write. Publish. Repeat. details the psychology-driven marketing plan that Sean and Johnny built to shape their stories into "products" that readers couldn't help but be drawn into -- thus almost automatically generating sales -- and explores ways that smart, business-minded writers can do the same to future-proof their careers. This book is not a formula with an easy path to follow. It is a guidebook that will help you build a successful indie publishing career, no matter what type of writer you are ... so long as you're the type who's willing to do the work. What Indie Authors and Thought Leaders Are Saying: "Two of the best in the biz... A gem for aspiring authors." -- Hugh Hovey "I have a pretty popular blog on self-publishing, and I've written a couple of books on the topic myself - meaning I've read a lot on the topic and come across lots of different strategies and approaches to building a loyal audience. For my money, this is the best book on self-publishing out there." -- David Gaughran "It's tough to find more honest and straight-forward marketing advice than what you'll get from these indie authors." -- Jane Friedman, former publisher of Writer's Digest "The most important book on self-publishing I've ever read." -- Karol Gajda "Consider it the most valuable guide book to publishing success." -- Jim Kukral, Author Marketing Club You'll Wish You Could Have Read it Years Ago!

Day Bang is a 201-page book that teaches you how to pick up women during the day, primarily in a coffee shop, clothing store, bookstore, grocery store, subway, or on the street. It contains 51 openers, 23 long dialogue examples with commentary, and dozens of additional lines that teach by example. Day Bang includes... -The optimal day game mindset that leads to the most amount of success-An easy mental trick to prevent your brain from going into a flight-or-fight response when it's time to approach a woman you're attracted to-A detailed breakdown of how to use the "elderly opener," an easy style of approach that reliably starts conversations with women-2 ways to tell if a girl will be receptive to your approach-How to avoid the dreaded "interview vibe"-10 common mistakes guys make that hurt their chances of getting a number Day Bang shares tons of tips and real examples on having successful conversations. It teaches you... -How to use my bait system to get the girl engaged and interested in you-How to segue out of the initial opening topic into a more personal chat where you'll get to know the girl on a deeper level-How to take the interesting things you've done (your accomplishments, hobbies, and experiences) and morph them into bait hooks that gets the girl intrigued enough to want to go out with you-My "Galnuc" method to seamlessly get a girl's number-An easy hack at the end of your interactions that will reduce the chance of a flake and prime the girl for going out with you-Ways to open up a conversation on a girl who isn't giving you much to work with Day Bang goes into painstaking detail on how to approach women in a variety of common environments... -How to open a girl in coffee shops when she has a book, laptop, mp3 player, cell phone, research paper, crossword or Sudoku puzzle, or nothing at all-Two methods for approaching a girl on the street, depending on if she's moving or not, with a diagram to explain all the approach variations-How to approach in a retail store or mall environment, with openers to use on customers or sales clerks-How to approach in bookstores, with specific tips on how to customize your approaches in the cafe, magazine section, or general book aisles-How to meet women in public transportation, on both the bus and subway-How to meet women in grocery stores-How to approach girls in secondary venues like a beach, casino, concert, gym, hair salon, handicraft fair, museum, art show, park, public square, or wine festival Dozens of additional topics are logically organized into 12 chapters... -Preparation. How to reduce your approach anxiety-Opening. How to deliver your opener in a way that doesn't scare women away-Rambling. How to have conversations that make women interested in you-Closing. How to get a number in a way that reduces the chance she'll flake-The Coffee Shop. How to pick up in coffee shops and cafes-The Street. How to pick up outdoors-The Clothing Shop. How to pick up in retail shops, malls, and big box stores-The Bookstore. How to pick up in bookstores-Public Transportation. How to pick up in the bus, subway, or long distance transportation-The Grocery Store. How to pick up in grocery stores-Other Venues. How to pick up just about anywhere else women can be found-Putting It All Together. How to maximize your day game potential The lessons taught in this 75,000 word, no-fluff textbook will help you meet women during the day. If you need tips on what to do after getting her number, consult my other book Bang, which contains an A-to-Z banging strategy. Day Bang focuses exclusively on daytime approaching.

Bento includes over 70 quick, easy, and delicious box lunch ideas for your family.

Crime Types and Criminals is an essential introduction to the study of criminology, focusing on crime types in particular. This book provides broad coverage of all major crime types, as well as coverage of research methods and theory. This book can be used both as a stand-alone and supplementary text in courses such as introduction to criminology, crime and society, deviant behaviour, crime profiling, and many other courses within the criminology and criminal justice discipline. Unlike many of the current criminology books on the market, this is a brief book that really talks about all kinds of crime and criminals in detail in a way to capture and retain student interest.

Still the number one resource for designers in the field, the Third Edition of this classic Handbook is extensively revised and updated to reflect the enormous recent advances in electronic filter design... while maintaining the overall emphasis on practi
