I can tell you how many books this year I've started that I couldn't put down: so far there have been 4 - and Katie Crouch's Men and Dogs is one of them. I have to believe those one star reviews might be from other authors, or people who might know Katie and not like her, or simply, readers who don't appreciate books that are smart, funny ...

[Amazon.com: Men and Dogs: A Novel \(9780316002134\): Crouch ...](#)

Men and Dogs. What a great title for an interesting, sometimes hilarious, and always thought-provoking novel. Often I am given books to review where the title or the cover art don't make sense to me after reading the book, but Katie Crouch and the folks at Little Brown have hit the nail on the head with both on this one.

A hilarious and moving story of messing up, making good and moving on

"A wickedly irresistible novel."— Natalie Baszile, author of Queen Sugar In Katie Crouch's thrilling novel Embassy Wife, two women abroad search for the truth about their husbands—and their country. Meet Persephone Wilder, a displaced genius posing as the wife of an American diplomat in Namibia. Persephone takes her job as a representative of her country seriously, coming up with an intricate set of rules to survive the problems she encounters: how to dress in hundred-degree weather without showing too much skin, how not to

## Acces PDF Men And Dogs Katie Crouch

look drunk at embassy functions, and how to eat roasted oryx with grace. She also suspects her husband is not actually the ambassador's legal counsel, but a secret agent in the CIA. The consummate embassy wife, she takes the newest trailing spouse, Amanda Evans, under her wing. Amanda arrives in Namibia mere weeks after giving up her Silicon Valley job so her husband, Mark, could have his family close as he works on his Fulbright project. But once they're settled in the sub-Saharan desert, Amanda sees clearly that Mark, who lived in Namibia two decades earlier, had other reasons for returning. Their marriage seemed solid in the safety of their old home, but feels tenuous in the glaring heat of the Kalahari. And then Amanda's daughter becomes involved in an actual international conflict and

## Acces PDF Men And Dogs Katie Crouch

their own government won't stand up for her. How far will Amanda go to keep her family intact? How much corruption can Persephone ignore? And what, exactly, does it mean to be an American abroad when you're not sure you understand your country anymore? Propulsive and provocative, *Embassy Wife* asks what it means to be a human in this world, even as it helps us laugh in the face of our own absurd, seemingly impossible states of affairs.

Meet Sarah Walters, a Camellia Society debutante with a weakness for bad ideas. Sarah's mother lectures her on etiquette but tends to get loose after a few gins. Still, Sarah tries to follow the debutante code - after all, in Charleston, manners mean everything. But it's not easy to follow the rules,

## Acces PDF Men And Dogs Katie Crouch

particularly in the summers when she runs into boys in pickup trucks, or, later, when she moves to New York with her friends. For the Camellia girls soon learn, careers don't always go to plan and men don't always love you back: the bright future they thought was theirs dissolves into heartbreak, illness and addiction. And when a shocking event brings thirty-something Sarah back home to Charleston, she must decide where 'home' really is.

When her free-spirited mother dies in a tragic accident, sixteen-year-old Alexandria Lee is forced to leave her West Coast home and move in with a wealthy grandmother she's never known in Savannah, Georgia. By birth, Alex is a rightful if unwilling member of the Magnolia League-Savannah's long-standing debutante society. But white

# Acces PDF Men And Dogs Katie Crouch

gloves and silk gowns are a far cry from the vintage t-shirts and torn jeans shorts she's used to. Alex is the first in decades to question the Magnolia League's intentions, yet even she becomes entangled in their seductive world. The members enjoy youth, beauty and power...but at what cost? As Alex discovers a pact between the Magnolias and the Buzzards, a legendary hoodoo family, she discovers secrets-some deadly-hidden beneath the glossy Southern veneer. New York Times bestselling author Katie Crouch's poignant and humorous voice shines in this enchanting and mysterious story about girls growing up in a magical Southern city.

Money, beauty, power, and love -- the youngest members of the Magnolia

# Acces PDF Men And Dogs Katie Crouch

League have it all. Some may call them lucky, but the truth is they're charmed. Armed with spells, potions, and conjures from the powerful Buzzard family, the Magnolias have bought their luck...at a price. Ensnared in the League's headquarters on Habersham street, golden girl Hayes Anderson would never dream of leaving Savannah, where there's no problem that can't be solved with a cup of Swamp Brew tea. But when danger lurks and family secrets are unearthed, Hayes learns that magic can't fix everything. Across town at an old mansion on Forsyth Park, recent California transplant Alexandria Lee is on a quest to free her mother's spirit from a hoodoo spell. As dark magic sweeps through Savannah's historic squares and misty backwaters, will Hayes and Alex have

# Acces PDF Men And Dogs Katie Crouch

the strength to save the people they love -- and themselves? Katie Crouch's second Magnolia League novel is a beguiling story about family, friendship, and the magical ties that bind.

Not since Donna Tartt's *The Secret History* has a novel this intoxicating captured the headiness and dark temptations of university life. The old Etruscan city of Grifonia swarms with year-abroad students—thousands of them from all over. Ostensibly, they've come to study. But really they are here to reinvent themselves, to shuck their identities and buck constraints far from the watchful eyes of parents and others who know them too well. There's a reason Henry James's young ladies went to Europe with chaperones. Today's young ladies

## Acces PDF Men And Dogs Katie Crouch

don't. In *Abroad*, the bestselling novelist Katie Crouch—whose *Girls in Trucks* brilliantly portrayed the cruelties of postcollege New York life on a Southern girl trying to make her way—tears a story from international headlines and transforms it into a page-turning parable of modern girlhood, full of longing and reckless behavior. As the heroine (and the reader) of *Abroad* will soon discover, Grifonia is a city filled with dangerous secrets of many kinds: ancient, eternal, infernal. "Prepare to have your heart broken while laughing out loud at this breathtaking, scathingly sardonic novel," wrote *People* magazine's reviewer about Crouch's *Men and Dogs*. "From her opening line. . . Crouch grabs you and never lets go." In *Abroad*, Crouch's mesmerizing talents are again on full display.

# Acces PDF Men And Dogs Katie Crouch

At thirty-three, talented chef Georgia Gray has everything a woman could want—the top job at one of Manhattan’s best restaurants; a posse of smart and savvy gal pals who never let her down; and a platinum-set, cushion-cut diamond engagement ring courtesy of Glenn, the handsome entertainment lawyer who Georgia’s overbearing mother can’t wait for her to marry. The table is set for the ambitious bride-to-be until a scathing restaurant review destroys her reputation. To add salt to her wounds, Glenn suddenly calls off the wedding. Brokenhearted, Georgia escapes to the Italian countryside, where she sharpens her skills at a trattoria run by a world-class chef who seems to have it all—a devoted lover, a magnificent villa, and most important, a kitchen of

# Acces PDF Men And Dogs Katie Crouch

her own. Georgia quells her longings with Italy's delectable offerings: fine wine, luscious cheeses, cerulean blue skies, and irresistible Gianni—an expert in the vineyard and the bedroom. So when Gianni tempts Georgia to stay in Italy with an offer no sane top chef could refuse, why can't she say yes? An appetite for something larger than love weighs heavy on Georgia's heart—the desire to run her very own restaurant. But with a ruined career in New York and no business partner in sight, she must stir up more than just the courage to chase after her dreams if she is to find her way home.

When their hard-drinking, but loving, father dies in a car accident, teenage brothers Kyle and Klint Hayes face a bleak prospect: leaving their Pennsylvania hometown for an

# Acces PDF Men And Dogs Katie Crouch

uncertain life in Arizona with the mother who ran out on them years ago. But in a strange twist of fate, their town's matriarch, an eccentric, wealthy old woman whose family once owned the county coal mines, hears the boys' story. Candace Jack doesn't have an ounce of maternal instinct, yet for reasons she does not even understand herself, she is compelled to offer them a home. Suddenly, the two boys go from living in a small, run-down house on a gravel road to a stately mansion filled with sumptuous furnishings and beautiful artwork—artwork that's predominantly centered, oddly, on bullfighting. And then there's Miss Jack's real-life bull: Ventisco—a regal, hulking, jet-black beast who roams the land she owns with fiery impudence. Kyle adjusts more easily to the transition. A

# Acces PDF Men And Dogs Katie Crouch

budding artist, he finds a kindred spirit in Miss Jack. But local baseball hero Klint refuses to warm up to his new benefactress and instead throws himself into his game with a fierceness that troubles his little brother. Klint is not just grieving his father's death; he's carrying a terrible secret that he has never revealed to anyone. Unbeknownst to the world, Candace Jack has a secret too—a tragic, passionate past in Spain that the boys' presence threatens to reveal as she finds herself caring more for them than she ever believed possible. From the muted, bruised hills of Pennsylvania coal country to the colorful, flamboyant bull rings of southern Spain, Tawni O'Dell takes us on a riveting journey not only between two completely different lands, but also between seemingly incompatible

# Acces PDF Men And Dogs Katie Crouch

souls, casting us under her narrative spell in which characters and places are rendered with fragile tenderness.

Gabe is a teenage Jehovah's Witness convinced God will kill him at Armageddon for masturbating. But Gabe's not alone: there's Peter, who writes swear words in the margins of his papers; Jihyun, the Korean kid who subsists on Ho Hos and Doritos; and Camille, who follows Gabe around, trying to be his girlfriend. There's also Gabe's mom, who sleeps sixteen hours a day, and his dad, an elder who decides the fate of sinners (like the married couple who confesses to accidentally having anal sex). There's Brother Miller, an elder with a Napoleon complex, who accompanies Gabe from door to door, encouraging him to knock with confidence, and

# Acces PDF Men And Dogs Katie Crouch

Sister Feeney, who looks forward to the day she can move into a Spanish-style house after its owner dies at the end of the world. Luckily for Gabe, there is Uncle Jeff, who used to tour with Santana and now gives Gabe the only valuable girl advice he ever receives. It's hard when school days are spent dodging questions about your weird religion and weekends mean preaching house to house. Life looks dreary until Gabe falls for Camille's beautiful older sister and begins to see her as the answer to his frustrations.

Early one summer morning, Matthew Bishop kisses his still-sleeping wife Marissa, gets dressed and eases his truck through Milwaukee, bound for the highway. His wife, pregnant with their first child, has asked him to find

## Acces PDF Men And Dogs Katie Crouch

the antique cradle taken years before by her mother Caroline when she abandoned Marissa, never to contact her daughter again. Soon to be a mother herself, Marissa now dreams of nothing else but bringing her baby home to the cradle she herself slept in. His wife does not know -- does not want to know -- where her mother lives, but Matt has an address for Caroline's sister near by and with any luck, he will be home in time for dinner. Only as Matt tries to track down his wife's mother, he discovers that Caroline, upon leaving Marissa, has led a life increasingly plagued by impulse and irrationality, a mysterious life that grows more inexplicable with each new lead Matt gains, and door he enters. As hours turn into days and Caroline's trail takes Matt from Wisconsin to Minnesota, Illinois, and

# Acces PDF Men And Dogs Katie Crouch

beyond in search of the cradle, Matt makes a discovery that will forever change Marissa's life, and faces a decision that will challenge everything he has ever known. Elegant and astonishing, Patrick Somerville tells the story of one man's journey into the heart of marriage, parenthood, and what it means to be a family.

Confirming the arrival of an exuberantly talented writer, *The Cradle* is an uniquely imaginative debut novel that radiates with wisdom and wonder.
