The perfect blend of riveting characters, chilling details, and gasping twists in this standout thriller will keep you frantically reading until the explosive end." - Lisa Gardner, New York Times bestselling author of Right Behind You This is the story of three best friends: one who was murdered, one who went to prison, and one who's been searching for the truth all these years . . . When she was sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school. But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—now a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until the night Angela was killed. For fourteen years, Geo knew what happened to Angela and told no one. For fourteen years, she carried the secret of Angela's death until Geo was arrested and sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and more chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong. How far will someone go to bury her secrets and hide her grief? How long can you get away with a lie? How long can you live with it? Find out in Jennifer Hillier's Jar of Hearts.

"I'm in trouble, Liz. I've uncovered something.... They're watching...." That panicked message on her answering machine is the last time Liz Ames hears from her sister Rachel, pastor of Paradise Christian Church in Key West, Florida. Compelled to uncover the truth about her sister's disappearance, she heads to Key West. Within hours of her arrival a successful banker jumps to his death. Then a teenage girl whom Rachel was counseling is found brutally murdered. The ritualistic style of the killing is hauntingly similar to that used by the notorious "New Testament" serial killer—now on death row. Could the teen's murder be related to Rachel's disappearance? Is a copycat killer at work? And why do the police refuse to help? For answers, Liz turns to Rick Wells, a former Miami cop who worked the fringes of the "New Testament" investigation. Together they peel away layers of deception to reveal a terrifying adversary—and the unspeakable evil at the heart of this island paradise.
