After a deadly medical mistake sent a navy sailor to the presence of Jesus, he returned from his near-death experience with new eyes to see the kingdom of heaven in this life. Now he wants to help you experience heaven

on earth today. For years Steve Musick kept his amazing story to himself, afraid no one would believe or understand it. A major allergic reaction had stopped his heart, hurling him into a five-week coma and a powerful experience of heaven. After returning to life, he couldn't forget the memory

of that vibrant place--and, most of all, the loving words and touch of Jesus. But that was only the beginning. An amazing series of miracles, dreams, and other supernatural events had been set in motion, showing Steve that heaven was close, even in this life. God was calling him to discover

echoes of heaven in the here and now--echoes that can happen at any moment, to anyone--that bring overwhelming joy. At last Steve is ready to tell the story of his journey of a lifetime--two lifetimes. In it you'll learn the secret of bringing heaven to earth in your everyday world, and how

to nurture a relationship with God so real and intimate that you'll feel his nearness as strongly as Steven did. Experience one man's incredible vision of heaven--and learn how you can live in God's presence and power today.

last thing on Marv Besteman's mind. He had just had surgery to remove a rare pancreatic tumor. It was after visiting hours and his family had left for the day. Alone and racked with pain, Marv tossed and turned, wanting more than anything else to simply sleep and escape the misery and discomfort for a

while. The retired banker, father, and grandfather had no idea he was about to get a short reprieve in the form of an experience he never could have imagined. In *My Journey to Heaven*, Marv Bestman shares the story of his experience of heaven with astounding detail. Readers will hear of his

encounters with angels who accompanied him to the gate, his conversation (argument, really) with St. Peter, and his recognition of friends and family members who touched his life. His story offers peace, comfort, and encouragement to those who have lost loved ones and gives

security and solace to those who are grieving, dying, or wonder about the afterlife. Marv believed God sent him back to earth to fulfill this mission of comfort and reminds readers that God has work for each of us to do before he calls us to be with him in heaven. Secure in his belief that his book was

the fulfillment of his own mission, Marv returned to heaven in January 2012.

those people who struggle with a fear and concern, either for themselves or someone close to them that has made this journey on their own. I have kept this to myself for all these years initially out of fear of accepting it, and then out of my inability to accurately describe the sequence of events and
