Paint with passion, purpose and pleasure What do you want your landscape painting to say about this place, this moment? How do you use the visual vocabulary - line, shape, value, color, edges - to say it? With this book, your conversation with nature will direct your brush. With an exhilarating, synergistic combination of indoor and outdoor painting, Kevin Macpherson shows you how to create personal, poetic landscapes that capture the feeling of being there. Learn how to: • Use a limited palette in a way that is more liberating than limiting • Experience nature to the fullest and capture its vibrancy back in the studio through photos, sketches and outdoor studies • Cope with the fleeting qualities of atmosphere and light by establishing a value plan early and sticking with it • Incorporate impressionistic touches of broken color to give your landscape a depth and vibrancy that enhances its realism • Approach painting as a layering and corrective process that encourages non-formulaic solutions Stimulating warm-up exercises in the studio prepare you for your adventures outside, while eight step-by-step demonstrations show you how to put these methods into action. Throughout, Macpherson's own light-filled landscapes illustrate the power of these techniques. Full of fresh air and fresh art, Landscape Painting Inside and Out will guide and encourage beginners while challenging more accomplished artists to bring greater vitality and a more natural, less formulaic finish to their paintings.

How to Paint Landscapes Quickly and Beautifully with Watercolor and Gouache reveals quick and effective painting setups and techniques to depict any landscape. Paint landscapes in a whole new light! Nothing enhances a landscape like the play of light. Now you can capture its rich, illusive properties in your own paintings. It's easy and fun when you paint along with Dorothy Dent. In 10 step-by-step projects, suitable for both beginners and more accomplished painters, Dorothy shares her easy-to-master techniques for painting light-filled landscapes in different seasons, weather conditions and times of day. As she explains, it's all in learning to see and work with lighting and color value. And what wonderful landscapes you'll paint—peaceful scenes of wide-open spaces, rolling farmlands, landscaped gardens and mountain valleys. Learn how to capture: Spectacular sunsets and sunrises Dramatic light and shadow on snow Sun-speckled garden pathways Autumn's gold-lit foliage The sun-touched haze of a summer shower Sunshine and moonshine on water And much more Dorothy's projects include oil and acrylic painting demos, with advice for adapting the technique used for one medium to that of the other. With each project, diagrams showing light direction and color tonal values get you off to a good start. Then each project concludes with a "Take a Closer Look" commentary—demonstrating how experts like Dorothy fine tune their paintings with those just-what-it-needs finishing touches. Prepare to be amazed by the landscapes you create! Painting Landscapes Filled with Light is your guide to new possibilities in your painting.
