Building on Foundations of Grace, in which he traced the threads of the doctrines of grace through the biblical books, DR. Steven J. Lawson here begins a thorough survey of church history, conclusively demonstrating that the doctrines of grace are not an innovation from late in time, but the consistent teaching and belief of those who have led the church from its beginnings. Book jacket.

The doctrines of grace are often known as the five points of Calvinism, but they were not the invention of John Calvin or his reforming cohorts of the sixteenth century. Rather, they are biblical doctrines, as Dr. Steven J. Lawson demonstrates in his book Foundations of Grace. Now, in Pillars of Grace, Dr. Lawson shows that the doctrines of grace have been understood and taught sometimes in embryonic form, sometimes with great clarity throughout church history. From the time of the early church fathers to the era of the Reformers, key men in the church stood on the foundation of Scripture and upheld the truth of Gods sovereign role in salvation. The inescapable conclusion is that the doctrines of grace are no

innovation, but the consistent witness of some of the greatest men of the church.

Understanding the doctrines of grace provides a clearer picture of God's sovereignty, mercy, and majesty. From the lawgiver Moses to the Apostle John, and from the early church fathers to modern defenders of the faith, there has marched onto the stage of human history a long line of godly men, a triumphant parade of spiritual stalwarts who have upheld the doctrines of grace. In this book, Dr. Steven J. Lawson takes readers on a heart-stirring survey of the Scriptures and their teaching on God's way of salvation. Lawson demonstrates that far from being a sixteenth century invention, the doctrines of grace are the clear teaching of the Bible in its entirety. From Genesis to Revelation, the Scriptures declare the message of God's sovereign grace in salvation.

Steven Lawson understands how important it is to feed God's people from His Word. He is concerned that what started as a genuine attempt to attract a broader hearing by moving away from Scripture, has grown into a crisis in the church. He is convinced that we must return to expository preaching, "the man of God opening the Word of God and expounding its truths so that the voice of God may be heard, the glory of God seen, and the will of God obeyed." Lawson calls the church back to Scripture-to restore its commitment to let God's own words speak.

Jonathan Edwards is well known as perhaps the greatest theologian the United States has ever produced. He is equally noted for his preaching and writing. But in this Long Line Profile, Dr. Steven J. Lawson considers the unique focus and commitment with which Edwards sought to live out the Christian faith. Lawson examines Edwards' life through the lens of the seventy resolutions he penned in his late teens, shortly after his conversion, which cover everything from glorifying God to repenting of sin to managing time. Drawing on Edwards' writings, as well as scholarly accounts of Edwards' life and thought, Lawson shows how Edwards sought to live out these lofty goals he set for the management of his walk with Christ. In Edwards' example, he finds helpful instruction for all believers.

Explores a major cultural shift embodied in hundreds of early New England crime publications. Tracing the declining authority of Puritan ministers, this work probes the forgotten origins of our modern mass media's pre-occupation with crime and punishment.

It's the most important question we can ask: Who is God? The wrong answer could spell our doom, but God has clearly revealed Himself and His majesty in His Word. Just as Moses asked the Lord on the summit of Sinai, we can approach God's Word with the ultimate request: "Show me Your glory." In *Show Me Your Glory: Understanding the Majestic Splendor of God*, Dr. Steven Lawson takes us to the mountaintop of divine revelation by distilling the Bible's teaching about God Himself. Each chapter delves into the depths of God's awesome attributes, teaching that a deeper knowledge of our Creator can lead us into intimate fellowship with and reverent worship of the One who made us for Himself.

In *The Expository Genius of John Calvin*, Dr. Steven J. Lawson delves into the practices, commitments, and techniques that made John Calvin, the great Reformer of the sixteenth century, such an effective preacher during his long pastorate at Saint Pierre Cathedral in Geneva, Switzerland. Dr. Lawson identifies thirty-two distinctives of Calvin's preaching, providing comments from Calvin's writings, quotations from Reformation scholars, and examples from Calvin's own sermons to reinforce his points. In the end, Dr. Lawson finds in Calvin a strong model for expository preaching and calls on modern pastors to follow the Reformers' example.

Despite our professions of belief, our baptisms, and our membership in the church, many of us secretly wonder, Am I truly saved? We worry that our love for Jesus isn't fervent enough (or isn't as fervent as someone else's). We worry that our faith isn't strong enough. We struggle through the continuing presence of sin in our lives. All this steals the joy of our salvation and can lead us into a life characterized by legalism, perfectionism, and works righteousness--the very life Jesus freed us from at the cross! But Greg Gilbert has a message for the anxious believer--be assured. Assured that your salvation experience was real. Assured that your sins--past, present, and future--are forgiven. Assured that everyone stumbles. Assured that Jesus is not your judge but your advocate. With deep compassion, Gilbert comforts readers, encouraging them to release their guilt, shame, and anxiety to rejoice in and follow hard after the One who set them free.

Nestled in a few verses in Luke's Gospel is a Jesus who would not have been tolerated today: He was not politically correct and He certainly did not try to save people's feelings. Steven Lawson unpacks these few verses, looking at the unashamed honesty, passion, and urgency with which Jesus explains the life-long cost involved in choosing to follow Him. True Christianity is the biggest sacrifice any person ever makes ... but it is in pursuit of the most precious prize ever glimpsed.
