survivors journey across a decimated America, each with the desperate goal of finding the cure for the virulent plague that threatens the existence of humankind—or what 's left of it. Now it 's up to these inheritors of the future to outlive their waking nightmare, any way they can. **BUT FOR THESE SURVIVORS, IT IS JUST THE BEGINNING.** One group includes a brilliant virologist; for the other, an immune soldier proves invaluable. Battling infected and marauding raiders at every turn, the teams soon uncover the devious plans of Sawyer, an agent of the Chairman of the Reunited States of America, who believes that Dr. Anna Demilio already has the cure, and he will stop at nothing to find her. Now, with the salvation of the world and their own souls on the line, how far will the survivors go to emerge victorious?

You ' ve never, ever read a story like this. Ashley Young is stuck in an unsatisfying marriage and a dead-end job. But when a sexually transmitted plague breaks out in her small town—one that slowly transforms everyone infected into crazed zombielike sex fiends—everything about her life changes. Facing quarantine, National Guard barricades, the onset of winter, and a rapidly spreading, mysterious sex plague, Ashley and everyone else in her small Colorado town find their deepest feelings for one another surfacing...both amorously and violently. When everyone in Ashley ' s life begins taking comfort in one another ' s arms, no one really knows who ' s infected and who ' s not. And because the disease perpetuates itself as an aphrodisiac, sex—the very thing that offers comfort—only contributes to spreading the plague. In a crumbling world with little to lose, Ashley begins to discover a

resilience she didn't know she possessed and a strength she's never had before. Her newly acquired agency may come at a price, however, when Ashley must ultimately choose between her own survival and saving the people she loves. *DEAD IN BED* by Bailey Simms delivers a tour-de-force series that's as emotionally incisive as it is shockingly sexy, as heartbreaking as it is hilarious, and as frightful as it is impossible to put down.

Using Dante's *Inferno* to draw out the reality behind the fantasy, author Kim Paffenroth tells the true events... During his lost wanderings, Dante came upon an infestation of the living dead. The unspeakable acts he witnessed—cannibalism, live burnings, evisceration, crucifixion, and dozens more—became the basis of all the horrors described in *Inferno*. At last, the real story can be told.

They Outnumber The Living. . . 25 to 1. Those are the odds of being struck down--and resurrected--by the savage plague that's sweeping the country, forcing survivors to band together against the dead. They're Growing Stronger. . . Even among the living, there is dissent. A new leader known as the Red Man has risen up and taken charge--and he's nearly as dangerous as the hungry dead. Some, like Bob Richardson and his friends, strike out on their own. Because if the men with guns don't get them, the zombies will. They're Getting Smarter. . . Fleeing the cities, Richardson and his crew find sanctuary in an abandoned farm. But their stronghold may not be strong enough. Something strange and terrifying is happening to the undead. They're banding together. Working as a group. Hungering for a common goal: human flesh. And lots of it. Praise for Joe McKinney and His Novels "A merciless, fast-paced
