Often we view prayer as an activity reserved for a certain time, in a certain place, offered in a specific way. But Scripture encourages us to pray continually. This exhortation is an opportunity for prayer to permeate every aspect of our lives--when we're alone or in a crowd, when it's quiet and when it's chaotic, when we feel like it and when we don't. Praying with Eyes Wide Open shows us how to make continuous prayer a natural part of our lives rather than something on our daily spiritual checklist. It helps us encounter God in new ways as we learn to - open our eyes to see his presence and the world around us - open our ears to hear his voice - open our hearts to experience freedom and power as we pray - and open our lives as we pray for and with others Anyone desiring a richer, more transformative prayer life will welcome this fresh take on conversing with our Creator.

"This little book is explosive and powerful." R. Albert Mohler, Jr. When you pray, does it ever feel like you're just saying the same old things about the same old things? Offering us the encouragement and the practical advice we're all looking for, Donald S. Whitney, best-selling author of Spiritual Disciplines for the Christian Life, outlines an easy-to-grasp method that has the power to transform our prayer life: praying the words of Scripture. Simple, yet profound, Praying the Bible will prove invaluable as you seek to commune with your heavenly Father in prayer each and every day. One of the main reasons why people don't pray—or don't pray more often—is because they don't know how to pray. In Praying the Way Jesus Prayed, Mark Link, SJ, simplifies and clarifies for everyone the process of how to pray. By looking closely at the example of Jesus, Fr. Link shows readers uncomfortable with praying how to pray effectively, and he shows those who already routinely engage in prayer how to pray in ways that lead to an even richer, deeper communication with God.

Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. One of the founders of the 24-7 prayer movement, he has seen, experienced, and chronicled amazing works of God in the world. While you might imagine him to be puffed up, Pete Greig is entirely the opposite. He is enchanting, down-to-earth, friendly, and most of all, very normal—and yet he tells preposterous tales about prayer (and they're true). He is basically a regular dude who loves to talk with God. How to Pray is written to evoke a passion for prayer in everyone—the committed follower of Jesus as well as the skeptic and the scared. The enormous blessing of How to Pray is that it is accessible, full of surprising stories of answered prayer, and tremendously engaging. The basic idea is that prayer is a conversation between you and God. Pete Greig demystifies and reenchants prayer, helping you to find prayer achievable and enjoyable, and ultimately life-giving and life-changing. How to Pray is designed to be used together with The Prayer Course (a free video curriculum associated with the Alpha course), making it useful for personal and group or church-wide reading.
