Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Physics have been incorporated. The books contain a large number of worked-out examples, illustrations, illustrative questions, numerical problems, figures, tables and graphs.

The comprehensive text builds up a sound base for higher classes. The accurate diagrams, activities and experiments are aimed at developing a scientific temper. Exhaustive exercises are given to test knowledge, understanding and application of concepts learnt. Project work and a glossary of scientific terms are the other distinguishing features along with a Science Virtual Resource Centre on www.science.ratnasagar.co.in
