This Spiral Edition Teacher Support Pack offers comprehensive support and guidance, providing the best possible learning experience for your students and saving time for everyone in the department. Note: The original ISBN for this product was 0 7487 5531 4. This product has not changed in any way, a new ISBN has simply been allocated to it.

TheseThis resource has a full marking scheme, with an indication of thresholds to help you arrive at a particular level for each test. In addition to the basic tests there is a resource of extra Time National Curriculum science test-style questions for each topic of the course. questions are differentiated (at two levels) and suitable for all pupils in addition to the basic test. Also available are SEN tests for less able pupils. These tests are simplified both in the amount of reading and writing required of students. They become progressively more difficult - up to Level 3 (in Year 7) and up to Level 5 (in Year 9). Marking schemes are provided.
