Funny, romantic, and poignant, Still Me follows Lou as she discovers who she is and who she was always meant to be—and learns to live boldly in her brave new world.

From the New York Times bestselling author of *The Giver of Stars*, discover the love story that captured over 20 million hearts in *Me Before You*, *After You*, and *Still Me*. Louisa Clark arrives in New York ready to start a new life, confident that she can embrace this new adventure and keep her relationship with Ambulance Sam alive across several thousand miles. She steps into the world of the superrich, working for Leonard Gopnik and his much younger second wife, Agnes. Lou is determined to get the most out of the experience and throws herself into her new job and New York life. As she begins to mix in New York high society, Lou meets Joshua Ryan, a man who brings with him a whisper of her past. Before long, Lou finds herself torn between Fifth Avenue where she works and the treasure-filled vintage clothing store where she actually feels at home. And when matters come to a head, she has to ask herself: Who is Louisa Clark? And how do you find the courage to follow your heart—wherever that may lead? Funny, romantic, and poignant, *Still Me* follows Lou as she discovers who she is and who she was always meant to be—and learns to live boldly in her brave new world.

Through his leading role in the three Superman films, Christopher Reeve became so closely identified with the superhero that he wasn't just seen as the actor who played Superman, he was Superman. Which is why the tragic riding accident which left him paralysed from the neck down shocked the world. Superman was not superhuman. It is also why he is now the world's most recognisable person in a wheelchair. In true superhero style, Christopher Reeve refuses to resign himself to the life of a quadriplegic, and is actively campaigning to raise the profile of spinal-cord injury victims and research. Although he was initially told that he would only ever be able to move his head, he can now shrug his shoulders and breathe alone for increasing

## Online Library Still Me

periods of time, and is determined that he will walk again. It is this extraordinary courage and determination that has made Christopher Reeve the internationally admired figure that he is, and it is this bravery which makes this autobiography about his paralysis and his journey to recovery such a powerful and moving story.

I Am Still Me is a collection of poems written by the author as a way to encourage people that even though someone has a condition, they can still do things. Although there are some poems about dementia, the book doesn't focus on it. There is a wide variety of poems pertaining to life, nature, and stories within a poem. The photographs within the book were also taken by the author.

Together...until the very end Jessica Cunsolo's epic romance that began in She's With Me comes to a heart-stopping conclusion. Love has never been easy for Amelia Collins and Aiden Parker. They've faced every imaginable challenge: car wrecks, stalker attacks, evil fathers, wicked rivals, falling for each other, and finally giving in to their feelings. So it's no surprise that just as Aiden and Amelia begin to plan their future, a new threat emerges that could destroy everything. As Amelia once again attempts to protect those she loves, she inadvertently leaves a trail of clues behind, and her stalker is hot on her trail. Faced with an impossible choice between love and survival, Amelia and Aiden's devotion to each other is tested like never before. But it may be no match for a cold-blooded killer. The thrilling finale in the With Me series is sure to take your breath away . . .

What does a dementia diagnosis mean for an individual's sense of self? Christine Bryden shares her insider view on living with dementia and explains how a continuing sense of self is possible after diagnosis and as the condition develops. Encouraging a deeper understanding of how individuals live meaningfully with dementia, the book challenges the dominant story of people with dementia 'fading away' to eventually become an 'empty shell'. It explores what it means to be an embodied self with feelings and emotions, how individuals can relate to others despite cognitive changes and challenges to communications, and what this means for the inclusion of people with dementia in society.

A daughter's powerful, bittersweet, and unvarnished memoir of her mother's struggle with ovarian cancer.

"When childhood friend Victoria rejects his love, Jeremy takes his life on his twentieth birthday. On his twenty-first birthday, he wakes to find Victoria holding his hand, blissfully in love with him. Jeremy can't remember the previous year, but he savors the miracle of waking up alongside the woman he loves. The next time he wakes, two years have passed and Jeremy is now a spectator of his own life. Victoria has given him a child, but the man alongside her is a cruel, egotistical, seemingly unknowable Jeremy. Is it amnesia? Insanity? Or has Jeremy been cursed for his selfish, destructive act?" -- p. [4] of cover.
