Recognizing the potential of ICTs to make the classroom transaction of curriculum significantly more relevant and purposeful, principals and school administrators in India need to design appropriate IT strategies and oversee the entire implementation process in their schools. This book is guide to the use of ICT in schools, covering issues of pedagogy, curriculum and learning. In brief, it deals with - Education uses of IT - Criteria for selection of hardware and software - Designing an IT-assisted curriculum - Teacher recruitment, training and desired competencies - Management and financial issues - Possible problem areas: plagiarism, privacy, hacking Lucidly written, with case studies highlighting successful strategies, this volume will be of immense importance to principals and administrators of schools as also students of education.

The present volume examines the development of Muslim traditions of reform in pre-colonial and colonial Zanzibar, focussing on patterns of cooperation between religious scholars and the British colonial state and highlights the effects of the Zanzibar revolution of 1964 on the

development of Islamic education and Islamic traditions of learning in Zanzibar until today.

This is a story of a nonpareil juvenile who saw many ups and downs in her childhood life and struggled for her education. Her mother brought her up after her fathers death. She lived a very short period of life with mother but before dying, her mother handed over her to her cousin who lived in America. She continued her studies there but she came in trouble when her granny sold her to pimps. Further, that gang of pimps sold her to Marten, who was a high class Prostitute, for sending her to Dubai. However, one Russian man saved her from the prostitution. He bought her from Marten and purveyed her like a daughter and Olga was happy with him. Once again a strange anomaly happened; she was kidnapped by that gang of pimps but this time she was saved by her boyfriend. Fate changed its side and again she adopted prostitution for saving the life of her father-like. Diana, one of the members under Marten served her in front of Allan Pearson who was a Hollywood Director. He was astonished seeing her beauty. He helped her and offered her film to play a lead role. She denied but when he made her understand, she accepted his proposal after discussing with her father-like. He gave her an international podium and then she was a popular personality. Again she took a U-turn. She left America after

completing her studies. When she reached Russia, she came across her second childhood friend. He deflowered her and Olga tried to attempt suicide but Igor stopped her and gave her full support. Finally, she joined the Russian Army after leaving the world of glamour and fulfilled the dream of her parents. She married with Igor and kept living a very happy life with him.
