The Big Book of Adventure Stories edited by Otto Penzler is a collection of short stories mostly from the pulp era of literature. The stories deal with brave heroes who must survive in a vicious world where life is cheap and daring is rewarded. I will write a short response to every story except The Devil in Iron which I dealt with elsewhere.

Journey back through childhood classics like Peter Pan, Alice's Adventures in Wonderland, and more in this adorable picture book about the joys of reading! There is nothing like a book to take you to places you've never been. Best friends Foxy and Piggy can't wait to tell each other about all of their adventures in reading! Flying over Neverland, swimming with a mermaid, joining in a mad tea party, soaring on a magic carpet—old classics come to life in the eyes of two little readers who can't believe what they've seen. Journey back to old favorites and experience the magic all over again in this adorable picture book about the joys of reading!

A collection of adventure stories set in exotic locales throughout the world includes stories by such leading authors as Jack London, Rudyard Kipling, and H. G. Wells.

"A delicious, pulse-quickenning compendium of thrilling rescues, daring escapes, dreadful peril, and glorious adventure, masterfully curated by an editor who wields his pen as skillfully as any swashbuckler ever swung a sword."—Charles Ardai, Edgar Award-winning author and publisher of Hard Case Crime The word "swashbuckler" conjures up an indelible image: a hero who's a bit of a rogue but has his own code of honor, an adventurer with laughter on his lips and a flashing sword in his hand. This larger-than-life figure is regularly declared passé, but the swashbuckler is too appealing to ever really die. Who wouldn't want to face

deadly danger with confidence and élan? Who can deny the thrill of clashing blades, hairbreadth escapes, and daring rescues, of facing vile treachery with dauntless courage and passionate devotion? The swashbuckler tradition was born out of legends like those of the Knights of the Round Table and of Robin Hood, revived in the early 19th century by Romantic movement authors such as Sir Walter Scott. The genre caught hold with the publication of Alexandre Dumas' *The Three Musketeers* in 1844, and for the next century it was arguably the world's leading form of adventure fiction. Featuring selections by twenty hugely popular writers from the last century including Rafael Sabatini; Johnston Mcculley (creator of the Zorro character); Alexandre Dumas; Arthur Conan Doyle; and Pierce Egan (author of *Robin Hood*), this anthology is dedicated to the swashbuckler's roots: historical adventures by the masters of the genre. Most of these stories have been out of print for decades; some have never before been collected in book form. All are top-notch entertainment. So, ready for some action? En garde!

Thrill-seekers will love this giant book of labyrinths. More than 90 mazes await in a compilation of 3 books by a maze master: *Monster Mazes*, *Pirate Treasure Mazes*, and *Wizards and Dragons Mazes*. Solutions.

What happens when you say YES? 49 incredible stories of adventure. From rowing oceans to cycling across continents, from climbing mountains to hiking national trails, this book will take you on the journey of a lifetime over and over again. But adventure is more than just travel. It's about stepping outside of your comfort zone and doing something a little out of the ordinary. How about setting up a business or home-schooling your kids? Fighting depression or fighting for a charity? This is not JUST a travel book. This brings you adventure in all its

Woodrow, Ava Denham, Holly Doucette

Curious George is helping Professor Wiseman train for a race, but she thinks running is boring. Can George find a way to show her that running is fun before the big race?

Introduces the concept of time, and discusses seconds, minutes, hours, days, weeks, months, seasons, years, decades, centuries, millennia, ages, and eras.

Did you know that polar bears have black skin underneath their white fur or that a giraffe's legs are taller than the average adult human? From the highest mountains to the deepest oceans, the chilly Arctic to the hot grasslands, young readers will go wild as they discover the amazing creatures that roam the Earth. This giftable hardcover features hundreds of stunning photographs and fun facts about more than fifty wild animals. Children will delight in learning about animals with the help of the hilarious LEGO(R) minifigures. There are also mini comic strips, jokes, and building ideas all filled with the trademark LEGO(R) humor. The LEGO(R) nonfiction series is exceptional as it combines the world's most powerful toy brand with the most trusted name in children's publishing.

BEING PREPARED IS A TON OF FUN! The world can be a scary place! There are snowstorms and mean snakes, hot jungles and wild rivers. But intrepid adventurer Jake and his dog Miller aren't scared—they're prepared! In Jake & Miller's Big Adventure, young readers discover it's never too early to start prepping. Learning how to use life-saving survival equipment like canned goods, water filters, first aid kits, Mylar blankets and emergency radios can keep you safe, healthy and happy even in the scariest of
