Chronicles the story of three generations of the Fitzgeralds and the Kennedys, beginning in 1863 with the baptism of John Francis Fitzgerald and closing with the inauguration of John Fitzgerald Kennedy in January 1961

Using simple language, this lively, inspiring, and believable biography looks at the childhood of John Fitzgerald Kennedy. Full color.

In his new book, Michael J. Hogan, a leading historian of the American presidency, offers a new perspective on John Fitzgerald Kennedy, as seen not from his life and times but from his afterlife in American memory. *The Afterlife of John Fitzgerald Kennedy* considers how Kennedy constructed a popular image of himself, in effect, a brand, as he played the part of president on the White House stage. The cultural trauma brought on by his assassination further burnished that image and began the process of transporting Kennedy from history to memory. Hogan shows how Jacqueline Kennedy, as the chief guardian of her husband's memory, devoted herself to embedding the image of the slain president in the collective memory of the nation, evident in the many physical and literary monuments dedicated to his memory. Regardless of critics, most Americans continue to see Kennedy as his wife wanted him remembered: the charming war hero, the loving husband and father, and the peacemaker and progressive leader who inspired confidence and hope in the American people.

letters, personal ephemera, and captivating photographs--collected by Rose Fitzgerald Kennedy, many never seen before, featuring the beloved and revered Kennedy family: This remarkable history dates from 1878 through 1946--up to the aftermath of WWII and the beginning of JFK's political career--and covers everything from the family's first home to beach vacations, from children's birthdays to first Communion. The images capture the formative years of a uniquely American dynasty, imparting a glowing nostalgia to the period and detailing the family's progress as it grows from a pair of turn-of-the-century newlyweds into a populous, vibrant clan of hopeful young men and women on the brink of their brilliant destinies. This is a piece of Americana that readers will treasure.

Chronicles the story of three generations of the Fitzgeralds and the Kennedys, beginning in 1863 with the baptism of John Francis Fitzgerald and closing with the inauguration of John Fitzgerald Kennedy in January 1961

The photographs featured in this book touchingly illustrate personal, intimate remembrances by close family and friends. The book will carry deep meaning in 1988, the 25th anniversary of Kennedy's death.

Profiles the charismatic John Kennedy, who became the nation's thirty-fifth president, tracing his early years, his war service, and his pre-presidential political life

This classic New York Times bestseller is an illuminating portrait of JFK—from his thrilling rise to his tragic fall—by two of the men who knew him best. As a politician, John Fitzgerald Kennedy crafted a persona that fascinated and

# Bookmark File PDF The Fitzgeralds And Kennedys An American Saga Doris Kearns

inspired millions—and left an outsize legacy in the wake of his murder on November 22, 1963. But only a select few were privy to the complicated man behind the Camelot image. Two such confidants were Kenneth P. O’Donnell, Kennedy’s top political aide, and David F. Powers, a special assistant in the White House. They were among the president’s closest friends, part of an exclusive inner circle that came to be known as the “Irish Mafia.” In *Johnny, We Hardly Knew Ye*, O’Donnell and Powers share memories of Kennedy, his extraordinary political career, and his iconic family—memories that could come only from intimate access to the man himself. As they recount the full scope of Kennedy’s journey—from his charismatic first campaign for Congress to his rapid rise to national standing, culminating on that haunting day in Dallas—O’Donnell and Powers lay bare the inner workings of a leader who is cherished and mourned to this day, in a memoir that spent over five months on the New York Times bestseller list.
