A warm, fun-loving Christmas picture book for families to share and love and laugh over together. A grumpy little troll runs away from home because he doesn't want to do his chores. Rollo tries living with various woodland animals, but he finds out that there is no place like home, and returns to his family just in time for "the best Christmas ever." Among the animals who take him in are an owl family, a mother bear and two rambunctious cubs, some playful river otters, a hungry lynx and a friendly moose family. Jan Brett creates an irresistible, mischievous character that kids will recognize in themselves. Jan transports us to a glorious Scandinavian landscape where a beautiful fall turns into a magnificent snowy winter. Her signature borders depict the troll family missing Rollo, and animals as appealing as those found in *The Mitten*.

A star-crossed, holiday romance story of young love, old love, holding on, and letting go. During the summer of 1989, Jenny Anderson meets Ben Matthews during a beach vacation with their families. Fresh out of high school and ready to get on with life—Jenny to Penn State in the fall and Ben to work for his uncle at Dickens Hardware—they didn't expect to fall in love. But love-at-first-sight happens anyway. This long-distance relationship doesn't deter them. After a summer of love letters and clandestine trips in the fall, Ben asks Jenny's father for her hand in marriage over Thanksgiving weekend. Much to Jenny's horror, her father angrily denies his request. That's when Ben and Jenny devise a plan to elope, enjoy a Christmas honeymoon in the mountains, and settle into life in Dickens, the Christmas Village. Jenny hopes her parents will come around, finally give their blessing, and welcome Ben into the family. But plans go awry when Ben's truck breaks down not far out of Dickens. The young couple takes refuge from a fast-approaching snowstorm at an old farmhouse with elderly occupants. The pause in their getaway causes Jenny to have doubts—until she witnesses first-hand the power of love and the magic of Christmas

NOW THE HALLMARK MOVIES & MYSTERIES ORIGINAL TIME FOR ME TO COME HOME FOR CHRISTMAS! The fireplace is lit, the snow is falling, and sleigh bells echo in the distance—it's Christmas, and it's time to come home in this charming holiday novel based on Dorothy Shackleford and Blake Shelton's hit song. Thirty-five-year-old Heath Sawyer has finally made it to the big-time as a country music star. After a year full of the kind of success he could only dream of, it's December 23, and he's headlining a sold-out show at Madison Square Garden. It's only as the lights on the stage go down and the Christmas lights outside come on that Heath realizes there's just one place he wants to be for the holidays: back home in Okmulgee, Oklahoma. But journeying anywhere on Christmas Eve is never easy, and with flight delays, inclement weather, and the unexpected company of a feisty young woman who's about to become his traveling companion, Heath will need a Christmas miracle to make his way home in time to open presents. Filled with touching anecdotes inspired by the real holiday memories of Blake Shelton and Dorothy Shackleford, *Time for Me to Come Home* is a sweet and funny story that celebrates the spirit of Christmas and the true meaning of finding your way back home. "It's funny how going back can get you back to where you belong. It's the difference between just a melody and my favorite Christmas song."
