Clinical studies show that cardiovascular intervention does not prevent heart attacks or prolong life in stable patients with coronary artery disease . . . so why are more than 1.5 million angioplasties and coronary bypass surgeries done annually in the United States alone? In *The Great American Heart Hoax*, esteemed cardiologist Michael Ozner, author of *The Miami Mediterranean Diet*, reveals groundbreaking truths about what

actually helps prevent and reverse heart disease and what isn't worth the money or risk. Discover disturbing realities from a cardiologist about the billion-dollar cardiovascular intervention industry. While a minority of patients may benefit from surgery, Ozner uncovers that the majority can employ much simpler methods, such as diet, exercise and medical therapy, to achieve better results—without stents or surgery. Most important, The Great American Heart Hoax provides a 10-step program to improve your heart health and reduce your risk of heart disease.

One day Raymond Francis, a chemist and a graduate of MIT, found himself in a hospital, battling for his life. The diagnosis: acute chemical hepatitis, chronic fatigue, multiple chemical sensitivities, and several autoimmune syndromes, causing him to suffer fatigue, dizziness, impaired memory, heart palpitations, diarrhea, numbness, seizures and numerous other ailments. Knowing death was imminent unless he took action, Francis decided to research solutions for his disease himself. His findings and eventual recovery led him to conclude that almost all disease

Modern Medicine Keeps You Sick How To Be Sick Again, Francis presents a seminal work based on these findings – a revolutionary theory of health and disease: there is only one disease (malfunctioning cells), only two causes of disease (deficiency and toxicity), and six pathways to health and disease (nutrition, toxins, psychological, physical, genetic, and medical). This remarkable book answers the questions: What is health? What is disease? Why do people get sick? How can disease be prevented? How can it be reversed? It will teach readers, in one easy lesson, an

entirely new way to look at health and disease — an approach that is easy to understand, yet so powerful that they may, indeed, never have to be sick again.

Providing a basic understanding of health and disease, this book takes the mystery out of disease. It provides readers, no matter what their present physical condition, a holistic approach to living that will empower them to get well — and stay well.

approaches while expecting different results. Conventional cancer treatments damage health, cause new cancers, lower the quality of life, and decrease the chances of survival. In fact, most people who die from cancer are not dying from cancer, but from their treatments! That's the bad news. Here's the good news: We can end the cancer epidemic. In *Never Fear Cancer Again*, readers will gain a revolutionary new understanding of health and disease and will come to understand that cancer is a biological process that can be turned on and off, not something that can be surgically removed or destroyed with

radiation or toxic chemicals. So whether cancer has already been diagnosed or if prevention is the concern, it is possible to turn off the wayward production of these malfunctioning cells once and for all by reading this book and implementing its strategies. The key to any disease has one simple cause: malfunctioning cells that are created by either deficiency or toxicity. By switching off the malfunctioning cells, you switch off the cancer. Never Fear Cancer Again guides readers along six pathways that cause deficiency or toxicity at the cellular level: nutritional path, genetic path,

medical path, toxin path, physical path, and the psychological path. By making key lifestyle changes, people truly have the power to take control of cancer and transform their health. This radically different, yet holistic approach restored author Raymond Francis back to health just as it has helped thousands of others, many of whom were told they had no other options or that their cancer was incurable. Take back your health with this book and never fear cancer again.

repair and keep the aging process at bay. His revolutionary approach counters the one-size-fits-all approach of most conventional anti-aging treatments on the market by targeting specific imbalances that manifest through "aging" symptoms. Botox injections, plastic surgery, and even hormone-replacement therapies don't yield meaningful results because they fail to activate the body's self-repair mechanisms; what's more, sometimes these treatments compound the problem by introducing additional toxins into the body.
