The Original Sinners: The White Years Will he take his rightful place as King of Manhattan's kink kingdom?

Revisit the sixth book in Tiffany Reisz's fan-favorite Original Sinners series, where only cunning, sex and pure nerve can raise him to his rightful place as ruler of Manhattan's kink kingdom. Bouncing from bed to bed on the Upper East Side--handsomely paid in both bills and blackmail fodder--Kingsley Edge is brilliant, beautiful and utterly debauched. No carnal act or chemical compound can relieve his self-destructive apathy--only Søren, the one person he loves without limit or regret. A man he can never have, but in whose hands Kingsley is reborn to attain even greater heights of sin. He plans to open the ultimate BDSM club: a dungeon playground for New York's A-list that'll change the scene forever. The club becomes Kingsley's obsession--and he's enlisted some tough-as-nails help. His new assistant Sam is smart, secretive and totally immune to seduction (by men, at least). She and Kingsley make a wicked team. Still, their combined--and considerable--expertise in domination can't subdue the man who would kill their dream. The enigmatic Reverend Fuller won't rest until King's dream is destroyed. It's one man's sacred mission against another's.... "Reisz's Original Sinners series just keeps getting better!" —RT Book Reviews Originally published in 2014

The provocative story before the story continues in the critically acclaimed and award-winning series The Original Sinners For years, Kingsley Edge warned Eleanor the day would come when she, the mistress of a well-respected Catholic priest, would have to run. She always imagined if that day came, she'd be running with Søren. Instead, she's running from him. Fearing Søren and Kingsley will use their power and influence to bring her back, Eleanor takes refuge at the one place the men in her life cannot follow. Behind the cloistered gates of the convent where her mother has taken orders, Eleanor hides from the man she loves and hates in equal measure. With Eleanor gone, the lights have gone out in Kingsley's kingdom. When he learns the reason she left, he, too, turns his back on Søren and runs. On a beach in Haiti, Kingsley meets Juliette, the one woman who could save him from his sorrows. But only if he can save her first. Eleanor can hide from Søren but she can't hide from her true nature. A virginal novice at the abbey sends Eleanor down a path of sexual awakening, but to follow this path means leaving her lover behind, a sacrifice Eleanor refuses to make. The lure of the forbidden, the temptation to sin and the price of passion have never been higher, and Eleanor and Kingsley will have to pay it if they ever want to go home again.

Kingsley Edge's plan to open a dungeon playground for Manhattan's elite is threatened by the zealous efforts of Reverend Fuller to stop them.

Revisit the stunning conclusion to Tiffany Reisz's fan-favorite Original Sinners series... Once upon a time, Nora and Søren made a fateful deal—if he gave her everything, she would give him forever. The time has finally come to keep their promises. Out of money and out of options after her yearlong exile, Eleanor Schreiber agrees to join forces with Kingsley Edge, the king of kink. After her first taste of power as a Dominant, Eleanor buries her old submissive self and transforms into Mistress Nora, the Red Queen. With the help of a mysterious young man with a job even more illicit than her own, Nora squares off against a cunning rival in her quest to become the most respected, the most feared Dominatrix in the Underground. While new lovers and the sweet taste of freedom intoxicate Nora, she is tempted time and time again by Søren, her only love and the one man who refuses to bow to her. But when Søren accepts a new church assignment in a dangerous country, she must make an agonizing choice—will the queen keep her throne and let her lover go, or trade in her crown for Søren's collar? With a shattering final confession, the last link in the chain is forged in The Original Sinners saga. It's the closing chapter in a story of salvation, sacrifice and the multitude of scars we collect in the name of ecstasy—and love. Originally published in 2015

The temptation to sin has never been this strong... For years, Kingsley Edge warned Eleanor the day would come when she would have to run. She always imagined she'd be running with Søren. Instead, she's running from him.

Revisit the fifth book in Tiffany Reisz's fan-favorite Original Sinners series, where Nora Sutherlin, Manhattan's most famous dominatrix, was merely a girl called Eleanor... Rebellious, green-eyed Eleanor never met a rule she didn't want to break. She's sick of her mother's zealotry and the confines of Catholic school, and declares she'll never go to church again. But her first glimpse of beautiful, magnetic Father Marcus Stearns—Søren to her and only her—and his lust-worthy Italian motorcycle is an epiphany. Eleanor is consumed—yet even she knows being in love with a priest can't be right. But when one desperate mistake nearly costs Eleanor everything, it is Søren who steps in to save her. When she vows to repay him with complete obedience, a whole world opens before her as he reveals to her his deepest secrets that will change everything. Danger can be managed—pain, welcomed. Everything is about to begin. "I worship at the altar of Tiffany Reisz! Whip smart, sexy as hell—The Original Sinners series knocked me to my knees." —New York Times bestselling author Lorelei James Originally published in 2014

Once upon a time, Nora and Søren made a fateful deal—if he gave her everything, she would give him forever. The time has finally come to keep their promises.

Keep your friends close and your enemies closer...preferably in bed. That's always been Kingsley Edge's strategy with his associate, the notorious New York dominatrix Nora Sutherlin. But with Nora away in Kentucky, now it's Kingsley's chance to take her place at the feet of the only man he's ever wanted—Søren, Nora's on-again, off-again lover—until a new threat from an old enemy forces him to confront his past. Wesley Railey is still the object of Nora's timest yet most maddening fantasies, and the one man she can't forget. He's young. He's wonderful. He's also thoroughbred royalty and she's in his world now. But Nora is no simpering Southern belle, and her dream of fitting into Wesley's world is perpetually at odds with her dear Søren's relentlessly seductive pull. Two worlds of wealth and passion call to her and whichever one Nora chooses, it will be the hardest decision she will ever have to make...unless someone makes it for her....

Tiffany Reisz's USA Today bestselling Original Sinners series returns with the long-awaited sequel to The Queen. When a New Orleans parish priest is found dead of an apparent suicide, the police see no reason to investigate. Private detective Cyrus Tremont knows a cover-up when he sees it, however. A former cop, he's seen it all...or so he thought. Clues point him in the direction of Nora Sutherlin, an erotic romance writer who moonlights as a dominatrix. Together, they form an unlikely bond built on their shared need for justice. As Cyrus is drawn deeper into Nora's underground world of pleasure and pain, what lines will he cross to discover the truth about the priest? And what will he and Nora do with the truth once they find it? The Priest is the beginning of a new era for Reisz's Original Sinners series, and the perfect jumping-on point for new readers.
