Soul of the Apostolate (Chautard) by Fred Sanders on January 30, 2019. Here’s a little book I picked up a few years ago and have found helpful: The Soul of the Apostolate by the Trappist abbot Jean-Baptiste Chautard (1858-1935). I’m reading it as an evangelical Protestant and commending its virtues from that point of view, but in case you can’t pick on the VERY SUBTLE CLUES the book is quietly sending you, I want to advise you that it is a very Roman Catholic book.

The Soul of the Apostolate by Jean-Baptiste Chautard ...

Jean-Baptiste Chautard quotes Showing 1-28 of 28 “Bossuet has a sentence which is beyond the comprehension of an apostle who does not realize what must be the soul of his apostolate. It runs: “When God desires a work to be wholly from His hand, he reduces all to impotence and nothingness, and then He acts.”

The Soul of the Apostolate was the favorite book of Pope St. Pius X. This book shows how prayer is the soul of every apostolic work and is absolutely critical for apostolic success. Explores all the proved methods of developing and maintaining the interior life amid the bustle of daily activity. This excellent book will help you to understand the economy of salvation, as well as the many dead-ends that we fallen creatures tend to follow. A critically important introduction to the spiritual life! This important book has been recommended by Pope St. Pius X and his successor, Pope Benedict XV. Pope St. Pius X said, "If you desire that God should bless your apostolate and make it fruitful, undertake everything for His glory, saturate yourself and your devoted fellow-workers with the spirit of Jesus Christ, animating yourself and them with an intense interior life. To this end, I can offer you no better guide than The Soul of the Apostolate by Dom Chautard, Cistercian Abbot. I warmly recommend this book to you, as I value it very highly, and have myself made it my bedside book."

Few people have ever seen or heard of *The Spirit of Simplicity*: it has been hidden for almost seventy years after quietly being published by the Abbey of Gethsemani in 1948. Anonymously translated and annotated by a young monk named Thomas Merton, the book's author—who also is not mentioned by name in the original edition—is Jean-Baptiste Chautard, the famous French Cistercian whose only other book, *The Soul of the Apostolate*, has been a favorite of modern saints and popes, including Pope Emeritus Benedict XVI. Every generation struggles with the question of simplicity. In the history of our faith, there have been no more eloquent voices calling us back to simplicity than the monks of the Cistercian Order, from Bernard of Clairvaux to Chautard to Merton—all of whom contribute to this powerful book. Merton surrounds Chautard's text with his own remarks on simplicity, translations of classic texts by St. Bernard of Clairvaux, and commentary that allows readers to pursue the themes of simplicity in their own lives. "Only a very inadequate idea of exterior simplicity can be arrived at if we do not trace it back to its true source: interior simplicity. Without this, our resolution to practice exterior simplicity would be without light, without love . . .," Chautard wrote at the beginning of the book. He is writing to his fellow Cistercians, but he might as well be speaking to twenty-first century Christians. He goes on to lay out the best disciplines that a monk—or anyone—might practice to find the elusive simplicity, with quotations from St. Benedict, St. Bernard, and other pillars of monastic life and spirituality. A dozen photographs of Cistercian architecture illustrate how principles of simplicity are incorporated into Cistercian daily life. In Part 2, Merton opens up the teachings of St. Bernard, a great mystic and doctor of the Church, offering excerpts from St. Bernard's writings on the original simplicity in the Garden of Eden, the difficulty of intellectual simplicity, the simplicity of the will (obedience), and other kindred topics. Merton also offers personal reflections from the perspective of one who had recently exchanged an active life in pursuit of worldly things for the solitude of a monk.

From the time she was a young child, Catherine of Siena sought God ceaselessly in both contemplation and action. By the time she was twenty-one, she had experienced her mystical "marriage" to Jesus Christ, and had thrown herself tirelessly into ministering to the poor and the sick. Throughout her active ministry, Catherine pursued eternal Truth through prayer, reading, and ecstatic experiences. While in a trance, Catherine of Siena dictated *The Dialogues*—presented here in contemporary English. In this intense and searching work, this saint offers up petitions to God, filling her conversation with instruction on discernment, true and false spiritual emotion, obedience, and truth, and revealing her famous image of Christ as the Bridge. Catherine's brilliant insights into the nature of the spiritual life and the character of the Church will motivate contemporary Christians to unite a life of faith and prayer with a life of action.

A reissue of McCabe's classic book on the sacraments what it is to live in the Church .

Nearly a century ago, the Trappist monk Jean-Baptiste Chautard sat in the silence of his cell and wrote this classic book, showing us how to live in the noise and bustle of the world and to win more souls for Christ. Praised by Pope St. Pius X, Pope Benedict XV, and by many cardinals and bishops, *Inner Strength for Active Apostles* was an instant hit, and has since been read with gratitude by hundreds of thousands of busy parents, teachers, preachers, catechists, and other Christians working in the world to save souls without losing their own. These Christians turned to this book because Fr. Chautard understands -- and here offers sure remedies for -- the particular spiritual problems that afflict all of us who try to bring others to Christ. He explains how to avoid the self-righteousness and pride that bring

Acces PDF The Soul Of Apostolate Jean Baptiste Chautard

down successful apostles, and the indifference and despair that cripple unsuccessful ones. Relying on the spiritual wisdom of the greatest saints and mystics of the Church (from St. Augustine and St. Thomas Aquinas to St. Francis de Sales and St. John of the Cross), Inner Strength for Active Apostles shows you how to achieve each of the three essential goals that you must accomplish in your apostolic efforts: you must win souls to Christ; you must promote your own spiritual welfare; and you must give glory to God. Here is a spiritual handbook that will bring holiness to you as you spread Christ's gospel, and will make it easier for you -- by your words and your example -- to lead ever more souls to Him. Book jacket.

A fast-paced, fascinating life. From poor peasant to Pope. He condemned Modernism, allowed Communion at seven, reformed Church music & the Breviary, initiated a new code of Canon Law, etc., and set out "to restore all things in Christ".

The Sacred Liturgy, declares Vatican II, is the font from which all the Church's spiritual power flows. In his modern classic work The Wellspring of Worship, Fr. Jean Corbon explores the meaning of the Liturgy as the "wellspring" or source of the Church's life and worship of God. The Liturgy itself is a sharing in the mystery of the Triune God and in the Incarnation, Passion, Death, Resurrection and Ascension of Jesus. Corbon writes that it is "the mystery of the river of life that streams from the Father and the Lamb," into which believers are to be drawn. In this way, the divine river waters their entire lives, renewing and transforming them. The Wellspring of Worship is a masterful reflection on the mystery of God's Trinitarian life and how the Church's members participate in that life through the Liturgy.

Over a century ago, there lived a Carmelite nun, Thérèse of Lisieux. Although she was young and seemed to have no authority, she taught “a Little Way very straight and short” which would lead people to perfection. Others had declared that sanctity was hard to attain, but she said that it was easy. Thérèse maintained that in order to become holy, it was not necessary to engage in manifold practices, to perform rigorous penances, or to receive extraordinary graces. What was needed was simply that we acknowledge our “nothingness” and approach God with love and confidence. “Sanctity,” she proclaimed, “is an interior disposition which makes us humble and little in God’s arms, conscious of our weakness and trusting even to audacity in the goodness of our Father.” Thérèse did not reveal new truths, nor did she teach new means for attaining perfection. Her doctrine was not a revelation of a new kind of sanctity, but a new way of revealing sanctity to us. What she teaches flows from the knowledge of God as He is revealed in the Gospel; she invites us to return to evangelical simplicity. The Church has endorsed her doctrine at the highest level: in 1999, Pope John Paul II declared her a Doctor of the Church. In the Complete Spiritual Doctrine of St. Thérèse of Lisieux, he presents her teachings in their original beauty, simplicity, and practicality. According to the judgment of the Carmelite nuns of Lisieux, this work “represents the pure doctrine of Thérèse—without deviation.” Since this book first appeared in French in 1958 and in English in 1961, it has established itself as a classic. Although many fine studies on St. Thérèse have appeared in more recent years, the Complete Spiritual Doctrine of St. Thérèse of Lisieux is still an indispensable guide to the Little Way.

This work traces the life and writings of Father Henri de Lubac (1896-1991) and reveals the importance and brilliance of his works, the holiness of his life, and his deep love for the Church. Some poorly informed Church leaders misunderstood and persecuted this brilliant scholar and devoted priest, who

Acces PDF The Soul Of Apostolate Jean Baptiste Chautard

always remained a faithful son of the Church, and whose theology contributed greatly to Vatican II.
