Jerry Seinfeld once said, "Where there's Chinese food, there's leftovers." That's not necessarily true with all such restaurants around town, but it's exactly what you get with Susie Lai when you ...

The fabled Tuscan landscape in the turbulent fourteenth century provides the backdrop for a tale of unconquered passions and the triumph of the creative spirit. Set amid the twisting streets and sunlit piazzas of medieval Italy, *The Towers of Tuscany* tells the story of a woman who dares to follow her own path in the all-male domain of the painter's workshop. Trained in secret by her father to create the beautifully-crafted panels and altarpieces acclaimed today as masterpieces of late medieval art, Sofia's desire for freedom from her father's workshop leads her to betray her passion and sink into a life of loveless drudgery with a husband who comes to despise her when she does not produce a son. In an attack motivated by vendetta, Sofia's father is crushed by his own fresco, compelling Sofia to act or risk the death of her soul. The choice she makes takes her on a journey from misery to the heights of passion--both as a painter and as a woman. Sofia escapes to Siena where, disguised as a boy, she paints again. When her work attracts the notice of a nobleman who discovers the woman under the dirty smock, Sofia is faced with a choice that nearly destroys her. *The Towers of Tuscany* unites a strong heroine with meticulously researched settings and compelling characters drawn from the rich tapestry of medieval Italy during one of Europe's most turbulent centuries. The stylishly written novel is packed with enough twists and turns to keep readers up long past their bedtimes. Anne Fortier, author of the New York Times bestseller "Juliet" and "The Lost Sisterhood" calls "The Towers of Tuscany a delightful escape to the Siena we all love. Carol Cram has crafted a delicious story about a strong woman torn between her secret past, her love of painting and the forbidden charms of her rich patron. Hard to resist and highly recommended!" Roberta Rich, bestselling author of "The Midwife of Venice" and "The Harem Midwife" states that "The Towers of Tuscany has all the elements of a wonderful historical novel--a talented, frustrated heroine, a treacherous, feckless husband, and a promise to a dying, much loved father who orders the heroine on a dangerous mission. Carol is a first rate storyteller. The research is well done. Every chapter displays a fine knowledge of painting technique of the 14th century, and customs and mores of the age. The details of dress, fabric, food, are flawless. The clever dialogue and fast pace make the novel zing along."

Virtuoso pianist Isabette Gruber captivates audiences in the salons and concert halls of early nineteenth-century Vienna. Yet in a profession dominated by men, Isabette longs to compose and play her own music a secret she keeps from both her lascivious manager and her resentful mother. She meets and loves Amelia Mason, a dazzling American singer with her own secrets, and Josef Hauser, an ambitious young composer. But even they cannot fully comprehend the depths of Isabette's talent. Her ambitions come with a price when Isabette embarks on a journey that delicately balances the line between duty and passion. Amid heartbreak and sacrifice, music remains her one constant. With cameos from classical music figures such as Chopin, Schubert, and Berlioz, "A Woman of Note" is an intricately crafted and fascinating tale about one woman's struggle to find her soul's song in a dissonant world."

"Loaded with wit and charm, ... [t]his fabulous jaunt through the City of Lights will leave readers breathless and longing for more from Cram." - Publishers Weekly (Starred Review) Discover love in all its flavors in this fun, food-infused romp through Paris that is as crisp, sweet, and smooth as the perfect macaron. Paris may be for lovers, but cookbook author Genna McGraw is definitely not looking for love. She ' s looking for escape and she's looking for a good runny Brie to pair with a smooth Bordeaux. Where better than Paris? In *Love Among the Recipes*, Genna goes to the City of Light to get away from her philandering husband and write a " crossover cookbook/guidebook " that matches Parisian sights such as the Eiffel Tower and the Louvre with recipes for bistro-style French dishes. She also dabbles in romance with dishy French lawyer Pierre Leblanc and makes friends at her French class with Colorado transplant Marsha Renfrew and her snooty English boyfriend. And then there ' s big, blunt Bill Turner from Australia. Does he really eat crocodile steaks for tea? But when Genna ' s family crashes her new life in Paris, a crisis forces her to choose how she wants to live. Will she have the courage to embrace an uncertain future and risk losing everything?

Experience a comic romp through Western Europe in *Pastel & Pen* -- a

Abandoned at birth, the grandly christened Edward Plantagenet rises from London's Foundling Hospital to take charge back stage at the Theatre Royal, Covent Garden, only to be blind-sided when he rescues Grace--a young woman escaping an abusive father. Grace finds an outlet for her passions as a Shakespearean actress, becoming ensnared by intrigues and setbacks that mar the pathway to stardom she craves. Set against the tumultuous backdrop of the Old Price Riots of 1809, Grace and Ned find common purpose in a quest that threatens to tear both their worlds apart.

From the limitless imagination of New York Times and USA Today bestselling author Julie Kagawa, The Iron Fey series continues. WHEN WE MET, I HAD NO IDEA HE WOULD BE THE CATALYST...FOR THE END OF EVERYTHING After his unexpected journey into the lands of the fey, Ethan Chase just wants to get back to normal. Well, as “normal” as you can be when you see faeries every day of your life. Suddenly the former loner with the bad reputation has someone to try for—his girlfriend, Kenzie. Never mind that he’s forbidden to see her again. But when your name is Ethan Chase and your sister is one of the most powerful faeries in the Nevernever, “normal” simply isn’t to be. Ethan’s nephew, Keirran, is missing, and may be on the verge of doing something unthinkable in the name of saving his own love. Something that will fracture the human and faery worlds forever, and give rise to the dangerous fey known as the Forgotten. As Ethan’s and Keirran’s fates entwine and Keirran slips further into darkness, Ethan’s next choice may decide the fate of them all. Don’t miss the first book in Julie Kagawa’s highly anticipated new series, SHADOW OF THE FOX, AVAILABLE OCTOBER 2, 2018 “Julie Kagawa is one killer storyteller.” —MTV’s Hollywood Crush blog “The Iron King has the...enchantment, imagination and adventure of... Alice in Wonderland, Narnia and The Lord of the Rings, but with lots more romance.” —Justine magazine “Fans of the first ‘Iron Fey’ series will be interested in seeing Meghan and her family again, while new readers will find enough detail to help them jump right in and enjoy the magic, adventure, and touch of romance.” —School Library Journal on The Lost Prince

From the author of the New York Times bestseller Juliet comes a mesmerizing novel about a young scholar who risks her reputation—and her life—on a thrilling journey to prove that the legendary warrior women known as the Amazons actually existed. Look for special features inside. Join the Random House Reader’s Circle for author chats and more. Oxford lecturer Diana Morgan is an expert on Greek mythology. Her obsession with the Amazons started in childhood when her eccentric grandmother claimed to be one herself—before vanishing without a trace. Diana’s colleagues shake their heads at her Amazon fixation. But then a mysterious, well-financed foundation makes Diana an offer she cannot refuse. Traveling to North Africa, Diana teams up with Nick Barran, an enigmatic Middle Eastern guide, and begins deciphering an unusual inscription on the wall of a recently unearthed temple. There she discovers the name of the first Amazon queen, Myrina, who crossed the Mediterranean in a heroic attempt to liberate her kidnapped sisters from Greek pirates, only to become embroiled in the most famous conflict of the ancient world—the Trojan War. Taking their cue from the inscription, Diana and Nick set out to find the fabled treasure that Myrina and her Amazon sisters salvaged from the embattled city of Troy so long ago. Diana doesn’t know the nature of the treasure, but she does know that someone is shadowing her, and that Nick has a sinister agenda of his own. With danger lurking at every turn, and unsure of whom to trust, Diana finds herself on a daring and dangerous quest for truth that will forever change her world. Sweeping from England to North Africa to Greece and the ruins of ancient Troy, and navigating between present and past, The Lost Sisterhood is a breathtaking, passionate adventure of two women on parallel journeys, separated by time, who must fight to keep the lives and legacy of the Amazons from being lost forever. Praise for The Lost Sisterhood “Impossible to put down... Meticulous research, a delicious mystery, and characters that leap from the story make this brilliant book a Perfect 10.” —Romance Reviews Today “Anne Fortier tells two tales of adventure, mystery and romance... reminiscent of The Da Vinci Code with a hint of A Discovery of Witches.” —Fredericksburg Free Lance–Star “Boldly original... will intrigue lovers of ancient worlds as well as those who are just fans of a good story.” —Bookreporter “A gorgeous journey from England to North Africa to Greece, thrilling readers with beautiful settings, courageous women and breathtaking adventure.” —BookPage “Grounded in a thorough knowledge of classical literature, this skillful interweaving of plausible archaeological speculation, ancient mythology, and exciting modern adventure will delight fans of such authors as Kate Mosse and Katherine Neville.” —Library Journal (starred review) “The Lost Sisterhood is a spellbinding adventure, a tale of two courageous women separated by millennia but pursuing interwoven quests: one to protect and lead her sisters through a dangerous ancient world, the other to prove that the legendary tribe of women truly existed, and that their legacy endures.” —Jennifer Chiaverini, author of Mrs. Lincoln’s Dressmaker and The Spymistress
