This is a true story of a boy born to farming parents during the later stage of World War II. Don Pannan's early childhood memories include talk of the war and fear of invasion by the Japanese. His early years were spent in the farming community of Binya near Griffith in southern New South Wales. At age 12 he was sent to a boarding hostel at Hay for secondary education. His mother moved into Griffith and he became a student at Griffith High School. He gained employment in a Public Service organisation and at around age 17, started a band with two friends. The band became a very popular band and played all around Griffith and surrounds all through the nineteen sixties. The sixties was a very exciting time for these young men and, indeed, for anyone who grew up through this great decade. He spent time in Sydney and Wagga before moving to Tamworth in 1979. He worked for Insurance Companies and eventually bought into a small insurance business which became a large and respected insurance business in Tamworth. The story is sprinkled with original poetry, which is something that comes easily to this Author, there is an addendum with many poems overall there are more than seventy original poems in this book. The story is about the life and times of Don Pannan, the Author, his life as a boy, his times at Hay, Griffith, Wagga, Sydney and Tamworth - a farm boy, a sixties Musician, a Public Servant, Insurance man, a Father, a Poet and a Grey Nomad.

Tom Shadyac is a storyteller. For over 25 years he was one of the top directors in Hollywood, producing some of its highest grossing comedies. about everything today comes with an operating manual - from your computer to your car, from your mobile phone to your iPad. Is it possible that Life comes with an operating manual, as well? That's the simple, but powerful premise of Tom Shadyac's inspiring and provocative first book. Written as a series of essays and dialogues, we are invited into a conversation that is both challenging and empowering. The question now is, can we discern what is written inside of this operating manual and garner the courage to live in accordance with its precepts? A Native American myth tells of two wolves that live inside each of us, two wolves engaged in a fierce battle for control of our lives. One wolf, the fearful wolf, walks in anger, ego, envy, greed, resentment and lies. The other wolf, the truthful wolf, lives in appreciation, kindness, love, joy, compassion, and empathy. Life's Operating Manual is expressed as a series of dialogues between the two wolves of fear and truth, with Tom reflecting on the life experiences that led him to these deep internal meditations. Authentic, direct and profound, Life's Operating Manual is an unexpected gift to any spiritual seeker.

Detective Superintendent Roy Grace has to solve a disturbing murder whilst protecting an innocent eye witness, in this TV tie-in edition of Looking Good Dead, by award winning crime author Peter James. Now a major ITV series, Grace, adapted for television by screenwriter Russell Lewis and starring John Simm. When a young woman's body is found butchered in Brighton, Roy Grace cannot help but think of his own missing wife and her unsolved fate. Elsewhere in the city, when Tom Bryce finds a disc left on a train, he simply tries to do the right thing - return it to its owner. But this attempted act of kindness makes him the sole witness to that same vicious murder. Learning that Tom has made a statement to Grace's team, the killers have to act. But when they plan the murder of the Bryce family, it's not just revenge - it's entertainment. Although the Roy Grace novels can be read in any order, Looking Good Dead is the second gripping title in the bestselling series. Enjoy more of the Brighton detective's investigations with Not Dead Enough and Dead Man's Footsteps.

A devious killer who has been murdering famous musicians in Baltimore and Washington D.C. draws detective Denise Dory and her partner/lover Tom Phyfer into the world of classical music where they are forced to play a twisted game that puts their lives, as well as their love, in grave danger. Original.

The works of Henry Fielding, though written nearly three hundred years ago, retain their sense of comedy and innovation in the face of tradition, and they easily engage the twenty-first-century student with many aspects of eighteenth-century life: travel, inns, masquerades, political and religious factions, the '45, prisons and the legal system, gender ideals and realities, social class. Part 1 of this volume, "Materials," discusses the available editions of *Joseph Andrews*, *Tom Jones*, *Shamela*, *Jonathan Wild*, and *Amelia*; suggests useful critical and contextual works for teaching them; and recommends helpful audiovisual and electronic resources. The essays of part 2, "Approaches," demonstrate that many of the methods and models used for one novel--the romance tradition, Fielding's legal and journalistic writing, his techniques as a playwright, the ideas of Machiavelli--can be adapted to others.
