To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) □ Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK® Guide □ Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide □ Sixth Edition □ PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle□ and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) □ Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

Learn how to achieve excellence and exceed expectations in fitting, dispensing, and customer-centered service. The Optician Training Manual will help you provide effective and consistent optician training, whether you are training new opticians or seasoned ones. Not an ABO study guide filled with optical theory and calculations never used in actual practice. The Optician Training Manual is designed with how you actually work in mind. This book will have new opticians trained and on the floor as quickly as possible and will feel comfortable in that role. Seasoned opticians will improve their decision making skills, taking them to the next level in providing exceptional eyeglasses and service.

Presents a training guide to becoming a safe, responsible, and successful babysitter, focusing on what to do when children suffer different kinds of accidents and illnesses.
