The SlideGuide with Student Test Packet helps students learn and study more effectively in and out of the classroom. The SlideGuide is a student lecture companion that allows students to take notes alongside representations of the art images shown in class. It features black-and-white reproductions of the images from the book stored on the Multimedia Manager, with full captions, page numbers, and space for note-taking. The Student Test Packet offers a practice test for each chapter of the book. Complete answers and page references follow each chapter test, allowing students to check their understanding of concepts and practice for exams.

Packed with hundreds of examples of classic and contemporary art, FOUNDATIONS OF ART AND DESIGN, 2E delivers a comprehensive guide to basic design that provides the ideal foundation to design principles. Appealing to readers at every ability level, the text's logical and structured organization moves from micro to macro topics, enabling learners to build on ideas and concepts of design and better understand the material. A running glossary defines key terms in the margins of the text, while two Visual Glossaries at the end of the book focus on styles and mediums. In addition, new Theory and Practice boxes help readers more deeply analyze artwork, and Artists on Art boxes offer insight from professional artists. For survey courses in Human Sexuality A contemporary overview of human sexuality that fosters personal reflection and critical thinking Human Sexuality in a Changing World provides a clear overview of this diverse field, aimed at helping students see the effects of both biology and culture upon human sexuality. In order to foster a more personal and impactful learning experience, authors Spencer Rathus, Jeffrey Nevid, and Lois Fichner-Rathus encourage students to reflect upon their own beliefs and experiences as they proceed through the text. In addition to the latest research, the Tenth Edition has been updated with new content on the ways in which the Internet and digital devices have impacted sexuality in many contemporary societies. Human Sexuality in a Changing World, Tenth Edition is also available via Revel(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience.

The papers presented in this open access book address diverse challenges in decarbonizing energy systems, ranging from operational to investment planning problems, from market economics to technical and environmental considerations, from distribution grids to transmission grids, and from theoretical considerations to data provision concerns and applied case studies. While most papers have a clear methodological focus, they address policy-relevant questions at the same time. The target audience therefore includes academics and experts in industry as well as policy makers, who are interested in state-of-the-art quantitative modelling of policy relevant problems in energy systems. The 2nd International Symposium on Energy System Optimization (ISESO 2018) was held at the Karlsruhe Institute of Technology (KIT) under the symposium theme "Bridging the Gap Between Mathematical Modelling and Policy Support" on October 10th and 11th 2018. ISESO 2018 was organized by the KIT, the Heidelberg Institute for Theoretical Studies (HITS), the Heidelberg University, the German Aerospace Center and the University of Stuttgart.

"Engaging students and cultivating understanding in a world of diversity." "Human Sexuality in a World of Diversity," 9/e examines the rich diversity found in human sexuality. More significantly, the text places an emphasis on cultivating understanding in a world of increasing diversity through personal engagement.
