Presents a photographic chronicle of the peoples, places, and events that form the modern United States, focusing on America's shared heritage and hopes for the future despite the many nationalities of the country's citizens.

This highly illustrated textbook is both a reference and activity book for all beginners and early intermediate students of Arabic. As a reference book, it provides friendly theme-based vocabulary lists to perfect pronunciation through both listening and repetition. As an activity book, it helps absorb and practise vocabulary through a variety of engaging exercises. Each of the units in the book is divided into two sections with the first section suitable for early beginners, and the second section for late beginners or early intermediate students. Each section presents key vocabulary followed by a wide range of activities. This book assumes a reasonable knowledge of the Arabic script and basic grammar, and is intended for beginners and early intermediate students to back up learning elsewhere. Vocabulary acquisition and pronunciation are both important but sometimes tricky aspects of learning Arabic, and this book aims to help overcome this.

Top Grammar is a reference book for learners of English at all levels, from basic to upper intermediate (A2 to B2). Top Grammar covers all the main grammatical areas of the language. Top Grammar has a special lexical focus for each of its sections. Top Grammar is made up of a Student's Book and CD-ROM, and has a Teacher's Guide including tests. Top Grammar can be used: for individual study, for exam preparation, or whenever the teacher
