SUB TITLE:The Liberating Distinction That Awakens Our Strengths

In this honest book, pastor and author Scott Sauls exposes the real struggles that Christian leaders and pastors regularly face. Sauls shares his own stories and those of other leaders from Scripture and throughout history to remind us that we are human, we are sinners, and we need Jesus to help us thrive as people and leaders. For Christian leaders—both inside and outside of the church—weaknesses that are left unchecked can lead to a downfall that is both public and painful. They want to lead with character and live like Jesus, but ambition, isolation, criticism, envy, anticlimax, opposition, restlessness, and insecurity can get in the way. From Weakness to Strength provides leaders with tools to draw near to Jesus and stay encouraged and hopeful, even (and especially) when sin and struggle get in the way.

Most people think of weakness as purely negative, but true Christianity embraces weakness as a way of life. In this collection of meditations on 2 Corinthians, renowned Bible scholar and theologian J. I. Packer reflects on the central importance of weakness for the Christian life. He exhorts readers to look to Christ for strength, affirmation, and contentment in the midst of their own sin and frailty. Now in his mid-eighties, Packer mediates on the truths of Scripture with pastoral warmth and exegetical care, drawing on lessons learned from the experience of growing older and coming face-to-face with his own mortality. Overflowing with wisdom gleaned from a life of obedience to Christ and dependence on his Word, this encouraging book ultimately directs readers to the God who promises to be ever-present and all-sufficient.

"This bok will seek to recover a more biblical theology of sin and sanctification ... In particular we will take a fresh look at the writings of John Newton."--p. 18.

You cannot make it without God's mercy. Do we just need God's grace in dark and shameful moments? Are prayers for mercy only for those times when we really mess up? Jonathan Parnell says we need God's mercy all the time. In fact, contrary to many church cultures, Parnell shows that asking God for mercy should be as regular as asking God for our daily bread. There's no doubt that David was in a terrible predicament when he first prayed the words of Psalm 51. It was a dark and shameful moment in the Bible, and one so dark and shameful it seldom feels relevant to us today. But David's most desperate prayer is really a prayer for all of us—and not just for our worst moments, but for our every moment. In these pages, you'll discover: how to pray a daily, memorable prayer derived from Psalm 51 how to practice daily repentance and soul care how to pursue God and experience his joy in the Christian life This is God's mercy, and it's Mercy for Today.

In this practical book every occurrence of astheneia and its cognates in the Pauline Epistles is examined, both in its immediate context and in its relation to Pauline thought as a whole. The analysis begins, first, by examining both secular and Septuagintal Greek usages of astheneia as well as its usage in the non-Pauline New Testament writings. It then proceeds, secondly, by defining Paul's astheneia termini from letter to letter and context to context. All the passages in the Pauline literature where the words appear undergo a detailed exegetical examination. The Pauline weakness motif is then summarized, with the conclusion that the concept of weakness is foundational to Paul's anthropology, Christology, and ethics.

Help and hope for men . . . undermined by silent fathers harassed by pornography and sexual temptation afraid of failing those they love most angered by past relationships with women Help and hope for women . . . lost in their relationships with others betrayed by fathers, husbands or male leaders wounded by sexual assault paralyzed by self-hatred Andrew Comiskey sees our weakness as "a threshold for holy power"--the point at which God can meet us for healing and equip us for service. He has seen it happen again and again. During many years of ministry, Comiskey, his wife, Annette, and their fellow "strugglers" have accompanied hundreds of wounded men and women to transformation at the cross of Christ. Telling real-life stories of despair, hope and lasting change, Comiskey lays out the foundations for healing from relational and sexual sin. With chapters focusing on particular areas of vulnerability for men and women, on the battle over homosexuality in church and culture, and on the essential role of the church in ongoing healing, Strength in Weakness makes clear the way to the cross--God's sufficient answer to our deepest needs.

Killing Sin is John Owen's Puritan classic Mortification of Sin updated for today. Owen tackles the age-old challenge for the Christian: how to put to death the power of sin over our lives. This is something that is impossible through man-centered self-help or self-denial. But with God all things are possible. Though we will never be completely free of sin while alive in this world, by putting our faith on Christ with an expectation of His help, the Holy Spirit will bring the His cross into our hearts with all its sin-killing power. Owen tells us why it is imperative for the Christian to be killing sin in his life, what it actually means to kill sin, why only a Christian can do it, why it is only possible through the power of the Holy Spirit, and how we can avail ourselves of the power of the Spirit to kill sin through gospel faith in the death and resurrection of Christ. Owen's original Mortification of Sin was written in 17th century English that is extremely difficult to understand. This Killing Sin translates Owen into contemporary English that is easy to read without dumbing it down so people today can read this very important book on a most critical topic.
