Twelve-year-old Billy, baffled at the series

of strange, unexplained events taking place at his summer camp in the desert wilderness, considers escaping the horrors forever, especially after campers start disappearing.

From R.L. Stine, master horror author of the Goosebumps series and the Fear Street

trilogy—now streaming on Netflix—comes
another spooky tale! This summer Max is
going to Camp Snake Lake—where he will
have to swim in a lake filled with
poisonous snakes . . . where a Headless
Ghost roams the fields . . . where he and
his mostly ghostly friends Nicky and Tara
will continue the dangerous search for

Nicky and Tara's parents. But first Max will have to face the evil spirit Phears again. Can Max learn the secret that will destroy this most terrifying ghoul for good?

Billy thinks that life at camp is a bit creepy, but when other campers start to

disappear and his parents do not answer his letters, Camp Nightmoon becomes Camp Nightmare.

Harry and his brother, Alex, are dying to fit in at Camp Spirit Moon. But the camp has so many weird traditions. Like the goofy camp salute. The odd camp

greeting. And the way the old campers love to play jokes on the new campers. Then the jokes start to get really serious. Really creepy. Really scary. First a girl sticks her arm in the campfire. Then a boy jams a pole right through his foot. Still, they're just jokes...aren't they?

A spooky deal for kids going to summer camp--a special "Goosebumps" trilogy all about camp! Includes "Welcome to Camp Nightmare, The Horror at Camp Jellyjam" and "Ghost Camp".
